Starting from 1st June 2020:

Due to the coronavirus disease (COVID-19) situation, points for the senior WRL will be obtained in the following periods:

- First period: 5+1 best results from 25th May 2018 to 23rd May 2019 will count 50%.
- Second period: 5+1 best results from 24th May 2019 to 28th June 2021 will count 100%.

For the Olympic qualification the WRL of 28th June 2021 will be used with the adapted periods for event point expiration.

This WRL will also be used for the seeding of the competition. From the 15th August 2021 the previous rules will be put back in place again.

- For the Olympic Qualification Ranking:

GP Hohhot 2018 will be included with 50% and GP Hohhot 2019 will be included with 100%

Masters 2018 will be included with 50%, Master 2019 and Masters 2021 will be both included with 100%

Only the best result between Continental Championships 2020 and 2021 will be taken into consideration.

The points for each individual tournament will expire as follows (in force again from 15th August 2021):

- In the first 12 months after the tournament the points will count 100%
- After 12 months the points will be reduced to 50%
- After 24 months the points will be reduced to 0 and not accounted anymore

The dividing line is the following week (week number) in which the tournament was held.

Example: If tournament is held in week 17 of year Y, the points are reduced to half on the beginning of week 18 in the next year (Y-1) and expired in the beginning of week 18 in the year after (Y-2).

Beginning of the week is defined as Monday.

Exceptions:

- For the equal treatment of all Continents, the Continental Championships will be treated as they were held on week number 17 regardless of the week number that they are organized in. The points reduction/expiration will be done on Monday of week 18.

A minimum of one contest must be won in order to get points for a tournament

Exception: In Grand Prix, Grand Slam, World Championships and Continental Championships points will be given for participation as well (starting 2013, before only WC).

Additional Rules:

In case of equality of total points, the higher ranking will be decided by:

- The highest sum of the current points from all World Championships.
- The highest sum of the current points from all Grand Prix, Grand Slams and Masters.
- The highest current points from one single event, then, if needed, the second highest, and so on.
- If the competitors are still equal the decision will be taken by the IJF EC in case of Olympic Qualification.

If a player changes nationality during Olympic Qualification period he/she loses all points in the WRL and has to start with 0.
