The judogi control is placed under the responsibility of the IJF Education Commission.

Spare Judogi supply:

During the competitions organized by IJF, the organizers will supply blue and white judogi of different sizes. The belts of different sizes must also be supplied. Judogi will be available in the “call room” so that any change requirement could be met as quickly as possible. A closed structure for any change request must be located in the control zone.

The replacement judogi must be used only in the following cases:

- Torn judogi during a fight
- bloodstains or any other apparent stains
- irregular size
- irregular or missing backnumber
- inappropriate advertising
- inappropriate emblem
- unofficial brand
- jacket and trousers, if not the same brand
- inappropriate color
- worn out judogi

The judogi are supplied by the organizers for a fight. The competitor must leave his accreditation card or a part/parts of the judogi which does not meet the requirements of the IJF regulations, to the organizers in exchange of the irregular element(s). The spare judogi must be returned back immediately by the end of the fight.

Each athlete is obliged to go through the judogi control before his fight. A specific zone is dedicated for that purpose.

If a competitor refuses to comply with the rules, he/she will exclude himself/herself from the competition.

The spare judogi are supplied for the competitors as a “service”. The organizers cannot be blamed if a competitor cannot find a judogi with a suitable size, whatsoever.

Competitor dress appearance requirement at the judogi control:

The judoka has to show up in the regular dress he would have to appear on the tatami.
