Judogi Control

It will be operated with a Sokuteiki prior to the fight. Judogi must have an IJF Official Label "APPROVED JUDO GI" with an optical code which cannot be falsified. The label will be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have an IJF official label.

Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from www.mybacknumber.com or <https://www.officialbacknumber.com> (Attention: production and delivery may take around 4 weeks). The SPONSOR part (if needed) will be given to the head of

delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

Markings and Advertising

The space on the **shoulder stripes** (25cm x 5 cm on both right and left side) and on the **upper arms** (10cm x 10cm on both right and left side) can be either used for own sponsors of the Federation or Judoka or EJU Suppliers, **BUT not for any other Judogi supplier.**

The space on the **right chest** (5cm x 10cm) can be used by the Judoka for his/her own sponsor. The logo of a Judogi brand can only be used, if it corresponds with the brand of the Judogi itself and if it is an EJU Supplier. Further, no logo of a competing brand of the advertising reserved for the Federation can be used (unless approval granted by the Federation).

Please note: On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the **left chest** (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed).

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules.

Detailed information is available on <http://www.eju.net/statutes>.

Important:

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.

20. Responsibility of Federations

The competitors will compete under the full responsibility of their federations. Each national federation is responsible for insuring its competitors against "injury and third part risk (public liability)" during the period of the tournament. The European Judo Union and the organiser decline all responsibility.

Consent for Photography/Videos/Filming

Delegates inscribed by their National Federations for EJU events consent to the EJU and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and EJU. It will also be acquired by the EJU and its media partners from in and around all EJU event venues. Media could be used in print and digital media formats including print publications, websites, e-

marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes. The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian. If a delegate does not give consent, then the National Federation must inform the European Judo Union by writing to headoffice@eju.net.

21. Anti-Doping

Doping control will be executed according to the **IJF MEDICAL AND ANTI-DOPING HANDBOOK (IJF SOR – Appendix E)** and will include one (1) athlete per category by random selection from the medal winners.

The draw is carried out in accordance with the IJF Anti-doping Rules and the IJF SOR during the competition before the start of the final block on the first competition day.

Competitors must report to the Doping Control Station immediately after signing the Notification form. Pursuant to WADA ISTI Art. 5.4.4, prior to doping control, athletes can take part in the awarding ceremony and fulfil their press commitments or receive medical treatment if needed. The selected competitors will be constantly accompanied by an official chaperone (appointed by the organizing committee) from the time of notification until arriving at the Doping Control Station. A person of the athlete's choice (team doctor, coach, trainer, delegation head etc.) may accompany them.

IJF/EJU keep the right to test any participating athlete beyond the above selection during an event. All additional tests are deemed in-competition tests.
