Ekaterinburg Grand Slam, Russia

The IJF returns to Russia in March for the third Grand Slam of the IJF World Judo Tour 2020.

Ekaterinburg, Russia's fourth largest city, will be holding the fourth edition of this famous event as the city continues to show its great appetite for world-class judo.

Following Grand Slam events in Paris and Düsseldorf, the eyes of the world will focus on Russia for the penultimate Grand Slam in the Tokyo 2020 Olympic qualification campaign.

The Russian Judo Federation is one of the most successful national federation’s in our sport and has a first-class track record in hosting major judo events.

I wish good luck to all participants, staff and volunteers and hope you have a pleasant stay in Russia.

13. GENERAL INFORMATION

FUNDAMENTAL PRINCIPLES
All National Federations, officials, coaches and athletes participating in the event described in these outlines must respect and accept the authority of the IJF Officials, the IJF Statutes, the IJF Sports and Organisation Rules (SOR), the IJF Refereeing Rules and the IJF Anti-Doping Rules. Individuals deemed to have acted against the IJF, its principles or purposes should be subject to suspension or expulsion from the event and/or cancellation of their accreditation cards.

INSURANCE
Each National Federation is responsible for its competitors (the control of non-pregnancy and the control of gender). It must assume all responsibility for accident and health insurance as well as civil liabilities during all IJF events for everyone under their charge.

National Federations are also responsible to ensure that athletes who participate in the IJF WJT have sufficient technical knowledge (know the terminology and can execute all the techniques in the IJF SOR Appendix H) and understand fully the IJF sport and refereeing rules.
The organiser of the event and the IJF will not be responsible for any insurance related to the above-mentioned matters. Nevertheless, the National Judo Federation staging the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration. The organiser of the event and the IJF have no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event.

CONSENT FOR PHOTOGRAPHY/VIDEOS/FILMING
Delegates inscribed by their National Federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and IJF. It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters, banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

If a delegate does not give consent, then the National Federation must inform the International Judo Federation by writing to registration@ijf.org.

ACCOMMODATION
All delegates inscribed for an IJF WJT event must stay in one of the official hotels, offered in the outlines by the organisers. Reservations for a minimum of two (2) nights, must be booked through the local organiser contact detailed in the event outlines e.g. Total of 4 people inscribed in judobase = 8 nights or more.

This rule does not apply to the host National Federation delegates.

Any damage to hotel property resulting from the stay of a national delegation will be charged to the national federation and must be paid in full.

Delegations are kindly requested not to dry clothing (including judogi) or have training sessions in the corridors of the official hotels.

According to the IJF rule enacted on the 2 December 2012 in Tokyo, “the organising country should not request penalties fee for participating countries who cannot make bank transfers but can pay in cash upon arrival. Those countries who cannot make bank transfers should inform the organisers well in advance that they will pay cash on arrival”.

COMPETITION RULES
The competition will be conducted in accordance with the latest IJF SOR, IJF Refereeing Rules and IJF Anti-Doping Rules.
System of competition: quarterfinal (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories:  
Men: -60kg, -66kg, -73kg, -81kg, -90kg, -100kg, +100kg  
Women: -48kg, -52kg, -57kg, -63kg, -70kg, -78kg, +78kg

INSCRIPTION OF DELEGATES
Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete’s career, inscribe an athlete into an IJF event, under his/her National Federation Flag or under the IJF flag, according to the specificity of the case.

Athletes can be entered in ONLY one weight category per IJF WRL event. Participating athletes must be born in 2004 (15 years in the calendar year) or before.

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions. When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians “in loco parentis”.

Each National Federation can inscribe a maximum of two (2) athletes per weight category. The organising national federation can inscribe a maximum of four (4) athletes per weight category. However, only the best two athletes’ results per category will be considered for the WRL.

Non-competing athletes or training partners can be inscribed as judoka.

After the deadline changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

ACCREDITATION
The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration.
A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF’s sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):
• One – four (1-4) competitors = three (3) officials.
• Five – nine (5-9) competitors = five (5) officials.
• 10 or more competitors = seven (7) officials.

The functions president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 US$ per accreditation, to be paid to the organisers.

Replacement of lost or forgotten accreditation will be charged at 50 US$ to be paid to the IJF.

**DRAW**
A maximum of two (2) delegates per National Federation may attend the draw.

Dress code: formal suit (jacket, trousers, shirt and tie for men; jacket, trousers/skirt/dress, blouse for women) and formal shoes.

The top eight (8) athletes from the entered competitors in each weight category will be seeded according to the current World Ranking List.

**BACKNUMBER AND JUDOGI CONTROL**
For further information on judogi rules please refer to the IJF SOR. Each competitor is obliged to have sewn on the back of his judogi a backnumber bearing their last (family) name and National Olympic Committee abbreviation. The last (family) name (and any part of their given (first) name) on the back number must have the same letters as that registered in judobase.org as this database provides the accreditation cards, athlete name on TV graphics and scoreboard etc.

The top of the backnumber must be fixed horizontally and centrally three (3) cm from the bottom of the collar.

The backnumber can only be ordered from www.officialbacknumber.com or mybacknumber.com

The Education and Coaching Commission will inspect the judogi jacket every evening. The checking process will start half an hour prior to the unofficial weigh-in and will end at the same time as the official weigh-in (19:00 – 20:30).
The backnumber and publicity should comply with the current IJF judogi regulations. White judogi: IJF sponsor, blue judogi: Organiser’s sponsor.
The official sponsor label of the event will be given provided that:
• The judogi are clean and dry.
• The backnumber, publicity and emblem are properly sewn and do not show any wear or tear.
• All previous advertising has been removed.

Guide to attaching and removing the sponsor label:
• Lay the judogi flat and attach the new sponsor label of the event on the back of the correct judogi.
• Ensure the label is firmly attached around the edges.
• Immediately after the competition and before washing remove the sponsor label.

The organiser has the right to charge for any sewing service that is deemed larger than a small repair.

WEIGH-IN
The weigh-in will be carried out in accordance with the IJF SOR. The official weigh-in for athletes will be scheduled the day before the competition.

• Unofficial weigh-in: 19:30 to 20:00
• Official weigh-in: 20:00 to 20:30
