#JudoHungary
(Version 08 October 2020)

Grand Slam Hungary

@MariusVizer

This is a return to the IJF World Judo Tour like no other. Budapest is ready to again host a spectacular Olympic qualification event, but this will be a very special event indeed. Following more than half a year of quiet restriction, we will meet again and it will be, undoubtedly, electric!

We took the difficult decision to suspend qualification for Tokyo 2020, back in March, as part of an international effort to halt the spread of Covid-19. We saw the judo community respond with nothing short of heroism, adapting to changes in environment, personnel, calendars and training programmes. This is the spirit of judo, to adapt, to support one another and to improve.

The Hungarian organisers, the International Judo Federation and all national federations have put in place stringent and efficient health protocols to be able to deliver an inclusive and truly elite judo showcase. We will keep our community safe and we will present to the world a much awaited return to the tatami.

I wish health and success to all athletes and coaches and thank the organisers and all volunteers for their care and efficiency.

Welcome to Budapest. Welcome back to judo.

Marius VIZER
President
International Judo Federation

23-25 October 2020

Dear Judo Family,

On behalf of the Hungarian Judo Association, I welcome you all to our beautiful home city Budapest for the Hungary Grand Slam 2020.

The International Judo Federation has cancelled all events until the end of October in this year, in an attempt to protect the interests of all stakeholders, keep the judo community safe and ensure fair treatment to all athletes engaged in the Olympic qualification.

We found ourselves in an uncertain and sad period in the near past. Due to the large scale of the Covid-19 outbreak, we have faced a period of doubts and an unprecedented challenge but now have the opportunity to hold the first World Judo Tour event after the pandemic is hugely honoured. We continued to work hard in order to organize a worldwide judo event and we suggest that in such challenging times, we need to protect each other as we organize this event based on a strong protocol and I encourage all of you to apply all the principles of our sport, setting an example for those around you.

I wish all of you, as well as the people of the world, good health, strong spirit and all the best to the participants!

**Dr. László Tóth
President
Hungarian Judo Federation**

11. JUDO GI AND OFFICIAL IJF BACKNUMBER

Athletes must compete wearing an IJF approved judogi (white and blue) supplied by one of the following manufacturers: Taishan, Double D Adidas, BasicItalia (Kappa), Budo Sport AG (Hiku), Danrho Kwon KG, Daedo, Essimo, Fighting Films, Green Hill, Kusakura (Hayakawa), Ipponshop, Mizuno, Matsuru B.V, SFJAM Noris, Toyo Martial Arts and Yawara.

23-25 October 2020

For further information on judogi rules please refer to the IJF SOR. Each competitor is obliged to have sewn on the back of his judogi a backnumber bearing their last (family) name and National Olympic Committee abbreviation. The last (family) name (and any part of their given (first) name) on the back number must have the same letters as that registered in judobase as this database provides the accreditation cards, athlete name on TV graphics and scoreboard etc.

The top of the backnumber must be fixed horizontally and centrally three (3) cm from the bottom of the collar.

The backnumber can only be ordered from www.officialbacknumber.com or mybacknumber.com.

The Education and Coaching Commission will control the backnumber on the judogi jacket the evening before the competition. The checking process will start half an hour prior to the unofficial weigh-in and will end at the same time as the official weigh-in (19:00 – 20:30).

The judogi control will be done before each contest.

The backnumber and publicity should comply with the current IJF judogi regulations.

White judogi: IJF sponsor, blue judogi: Organiser's sponsor.

The official sponsor label of the event will be given provided that:

- The judogi are clean and dry.
- The backnumber, publicity and emblem are properly sewn and do not show any wear or tear.
- All previous advertising has been removed.

Guide to attaching and removing the sponsor label:

- Lay the judogi flat and attach the new sponsor label of the event on the back of the correct judogi.
- Ensure the label is firmly attached around the edges.
- Immediately after the competition and before washing remove the sponsor label.

The organiser has the right to charge for any sewing service that is deemed larger than a small repair.

Grand Slam Hungary

13. DOPING CONTROL

Doping control will include: **four (4)** men and **four (4)** women chosen by random selection from the medal winners.

The draw is carried out in accordance with the IJF Anti-doping Rules and the IJF SOR during the competition before the start of the final block on the first competition day. Competitors must report to the Doping Control Station immediately after signing the notification form.

Pursuant to **WADA ISTI** Art. 5.4.4, prior to doping control, athletes can take part in the awarding ceremony and fulfil their press commitments or receive medical treatment if needed.

The selected competitors will be constantly accompanied by an official chaperone (appointed by the organising committee) from the time of notification until arriving at the Doping Control Station. A person of the athletes' choice (team doctor, coach, trainer, delegation head etc.) may accompany them. IJF keep the right to test any participating athlete beyond the above selection during an event.

All additional tests are deemed in-competition tests. At its own discretion IJF may allow Testing Authorities to conduct out-of-competition tests as well.

14. GENERAL INFORMATION

FUNDAMENTAL PRINCIPLES

All National Federations, officials, coaches and athletes participating in the event described in these outlines must respect and accept the authority of the IJF Officials, the IJF Statutes, the IJF Sports and Organisation Rules (SOR), the IJF Refereeing Rules and the IJF Anti-Doping Rules. Individuals deemed to have acted against the IJF, its principles or purposes should be subject to suspension or expulsion from the event and/or cancellation of their accreditation cards.

INSURANCE

Each National Federation is directly responsible for its athletes (the control of non-pregnancy and the control of gender). It must assume all responsibility for accident and health insurance as well as civil liabilities during all IJF events for everyone under their charge.

National Federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. The organiser of the event and the IJF will not be responsible in the absence of insurance.

23-25 October 2020

The entity contractually bound to the IJF for the organisation of the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration. The organiser of the event and the IJF have no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event.

CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING

Delegates inscribed by their National Federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and IJF. It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

If a delegate does not give consent, then the National Federation must inform the International Judo Federation by writing to registration@ijf.org.

COMPETITION RULES

The competition will be conducted in accordance with the latest IJF SOR, IJF Refereeing Rules and IJF Anti-Doping Rules.

System of competition: quarterfinal (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories:

Men -60kg, -66kg, -73kg, -81kg, -90kg, -100kg, +100kg

Women: -48kg, -52kg, -57kg, -63kg, -70kg, -78kg, +78kg

INSCRIPTION OF DELEGATES

Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her National Federation Flag or under the IJF flag, according to the specificity of the case.

Athletes can be entered in ONLY one weight category per IJF WRL event. Participating athletes must be born in 2005 (15 years in the calendar year) or before.

Grand Slam Hungary

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions. When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians "in loco parentis". This also applies to doping control. The National Federation must ensure that minor athletes have their parental/guardian permission to undergo testing.

Each National Federation may enter:

- Up to 14 entries for women with maximum 2 athletes per category.
- Up to 14 entries for men with maximum 2 athletes per category.

The host country may enter:

- Up to 28 entries for women with maximum 4 athletes per category.
- Up to 28 entries for men with maximum 4 athletes per category.

However, from the host country only the best two (2) results from each category will be considered for the WRL Seniors.

Non-competing athletes or training partners can be inscribed as judoka.

After the deadline changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration. A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

23-25 October 2020

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 US\$ per accreditation, to be paid to the organisers.

Replacement of lost or forgotten accreditation will be charged at 50 US\$ to be paid to the IJF.

DRAW

The draw will be held online.

Up to a maximum of the top eight athletes among the entered athletes in each weight category will be seeded based on their IJF WRL position.

WEIGH IN

The weigh-in will be carried out in accordance with the IJF SOR. The official weigh-in for athletes will be scheduled the day before the competition.

- **Unofficial weigh-in:** 19:30 to 20:00
- **Official weigh-in:** 20:00 to 21:00

COACHING

Coaches nominated by their National Federations should respect the IJF Code of Ethics and IJF SOR. Any coaches not adhering to these rules could be subject to disciplinary action.

AWARDING CEREMONY

Each athlete who has won a medal must be present at the ceremony to receive their medal personally. Any athlete who is absent from the awards ceremony without a good reason may forfeit the medal and prize money.

Grand Slam Hungary

Athletes must attend the medal ceremony barefoot, without any hat, cap or any similar head covering and wearing their IJF approved white judogi that conforms to the IJF judogi rules with special attention being paid to the publicity rule. If it is not clean, then they must wear a reserve judogi.

It is strictly prohibited for athletes on the podium to have national flags or similar items other than those on their judogi. Any demonstration with religious, political, personal or commercial connotation is prohibited.

Athletes must also be available for interview after the last awarding ceremony if requested by the IJF Media Team.

After each day of competition photos will be uploaded on the IJF website: <https://www.ijf.org/galleries>. These photos are rights-free and can be downloaded and used by anyone: athletes, coaches, national federations, press and media etc.”
