@MariusVizer

Dear Distinguished Guests,

We are ready to continue our IJF World Judo Tour, with confidence and excitement building for the year ahead.

From Hungary to Doha we have established and refined protocols with the sole purpose of keeping our judo family safe and well. It is proving to be successful and so here we are in Tel Aviv; a city brimming with energy and character, one that always welcomes judoka and their teams with open arms. In Tel Aviv, the newly designated grand slam, will offer the passion, the spectacle and the spirit that is the very best of a life in sport, in judo.

So, here in Israel, we continue with the Olympic qualification process and we strive to enhance all aspects of our organisation to ensure that the work done so far, since the beginning of a challenging 2020, is invested correctly, to offer all our athletes, coaches, volunteers and organisers the very best experience, a safe experience.

I wish health and success to all and thank the organisers locally and internationally and for their care and efficiency.

Welcome to Tel Aviv.

**President**  
**International Judo Federation**

18 - 20 February 2021

Dear IJF Family,  
IJF President and Guests,

On behalf of the Israel Judo Association, I am honored to welcome you to the first Grand Slam hosted by Israel.

Grand Slam Tel Aviv 2021 follows the success of the previous Judo events held in Tel Aviv, such as the Grand Prix and the European Championships. Whether you are a returning visitor or a first-time visitor to our beautiful country, we are grateful you have chosen to join us.

The world is currently facing unprecedented times and life for many has been put to a halt. Sports and sporting events were especially affected. Despite this, sports remain a source of joy and a symbol of unity across the globe. Today, we, as a judo family, can celebrate the first steps of the return to normalcy in the world of sports with this Grand Slam.

The health and safety of our participants, staff and athletes are our top priority. Therefore, please be assured that all necessary precautions have been taken to the utmost vigilance.

In addition, I would like to take this opportunity to thank the Israeli Ministry of Sports and Culture, the Israeli Ministry of Health, the Tel Aviv-Yafo Municipality and all our partners of IJF. This event could not have happened without their support.

I wish us all a great event, good health and good luck.

**Moshe Ponti**  
**President**

## IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

### **ANYONE NOT FOLLOWING THE IJF COVID-19 PROTOCOL WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!**

The fundamental principle throughout all IJF events during the Covid-19 era is to Protect and Be Protected by wearing a mask, sanitising, distancing and respecting the recommendations of the IJF protocol. All participants have the mutual responsibility to protect one-another.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor, President etc.) must have read and understood the latest version of the Protocol for resuming IJF events during the Covid-19 pandemic which can be found here: [covid.ijf.org](https://www.ijf.org/covid-19)

### **Before travelling**

1. Follow the instructions for **entering Israel** detailed below.
2. Book **accommodation** and send a detailed rooming list. Last minute changes can be accommodated whilst the delegation waits on the bus or outside the hotel.
3. Present, on arrival, at least **two (2) negative individual medical PCR COVID-19 test certificates**, please make sure the certificate also has an English version. These PCR tests **MUST** be made a maximum of eight (8) days before arrival and taken a minimum of 48 hours apart. If travelling by plane, please **CHECK WITH THE AIRLINE** that the date and time of the second PCR follows the airline's "safe to fly" rule timeline (Note: currently for arrival in Israel this is a maximum of 72 hours before arrival). During this 8-day period you should stay isolated and limit contact with other people as much as possible. If you experience any kind of symptoms do not start to travel (even with two negative PCR tests).
4. Present upon arrival an individual **declaration of honour** and **liability release waiver** on the absence of symptoms for at least 14 days per delegate.

### **Entering Israel**

1. All regular border-crossing regulations must be followed regarding the validity of passports and visas, as applicable for each respective country.
2. The Tel Aviv Grand Slam 2021 is supported by the Israeli Ministry of Sport and Ministry of Health. Arrivals to Israel will be coordinated with the Ministry of Foreign Affairs (MFA) and Israeli Border Control. All the participants (ALL BUBBLES and IRRESPECTIVE IF A VISA IS REQUIRED OR NOT) must send a completed **Tel Aviv GS 2021 Entry, Visa & Transport Form** to [judotransport@comtecint.com](mailto:judotransport@comtecint.com) (with copy to [einav@comtecint.com](mailto:einav@comtecint.com)) two (2) weeks before arrival. After the information is received, Israeli Border Control will send you an approval E-letter to present to the airline company. In this letter you will have a link to complete the "Isolation Form" which each participant must complete 24 hours before arrival and to show upon arrival to the border. The MFA will share the information with all airline companies. All participants **MUST** follow these procedures. There are no required letters of invitations, and no need to apply for a visa in your local Israeli Consulate.
3. **CURRENTLY FOR ARRIVAL IN ISRAEL A NEGATIVE PCR IS REQUIRED A MAXIMUM OF 72 HOURS BEFORE ARRIVAL.**

## Entering the bubble

The event venues (hotels, sport hall, training hall etc.) will be classified as bubbles and to reduce risk a “bubble to bubble” concept will be used. **People are NOT allowed to leave their bubble** as contamination could occur endangering the safety of the event and the health of the participants.

## 13. DOPING CONTROL

Doping control will include: **four (4)** men and **four (4)** women chosen by random selection from the medal winners.

The draw is carried out in accordance with the IJF Anti-doping Rules and the IJF SOR during the competition before the start of the final block on the first competition day. Competitors must report to the Doping Control Station immediately after signing the notification form.

Pursuant to **WADA ISTI Art. 5.4.4**, prior to doping control, athletes can take part in the awarding ceremony and fulfil their press commitments or receive medical treatment if needed.

The selected competitors will be constantly accompanied by an official chaperone (appointed by the organising committee) from the time of notification until arriving at the Doping Control Station. A person of the athletes' choice (team doctor, coach, trainer, delegation head etc.) may accompany them. IJF keep the right to test any participating athlete beyond the above selection during an event.

All additional tests are deemed in-competition tests. At its own discretion IJF may allow Testing Authorities to conduct out-of-competition tests as well.

National Federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. The organiser of the event and the IJF will not be responsible in the absence of insurance.

The organiser of the event and the IJF have no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event.

## CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING

Delegates inscribed by their National Federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and IJF. It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

If a delegate does not give consent, then the National Federation must inform the International Judo Federation by writing to [registration@ijf.org](mailto:registration@ijf.org)

## INSCRIPTION OF DELEGATES

Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her National Federation Flag or under the IJF flag, according to the specificity of the case.

Athletes can be entered in ONLY one weight category per IJF WRL event. Participating athletes must be born in 2006 (15 years in the calendar year) or before.

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions.

# Tel Aviv Grand Slam, Israel

When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians “in loco parentis”. This also applies to doping control. The National Federation must ensure that minor athletes have their parental/guardian permission to undergo testing.

Each National Federation may enter:

- Up to 14 entries for women with maximum 2 athletes per category.
- Up to 14 entries for men with maximum 2 athletes per category.

The host country may enter:

- Up to 28 entries for women with maximum 4 athletes per category.
- Up to 28 entries for men with maximum 4 athletes per category.

However, from the host country only the best two (2) results from each category will be considered for the WRL Seniors.

Non-competing athletes or training partners can be inscribed as judoka.

After the deadline changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

## ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration. A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

18 - 20 February 2021

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 US\$ per accreditation, to be paid to the organisers.

Replacement of lost or forgotten accreditation will be charged at 50 US\$ to be paid to the IJF.
