

Call for contributions

International Judo Federation (IJF) and IJF Academy is announcing a new academic journal – „**The Arts and Sciences of Judo**“ (**ASJ**). ASJ welcomes all types of scholarly papers but also publishes viewpoints and commentaries on the most important topics for development of judo.

The ASJ is semi-annual publication, with issues published in June and in December of the year. Deadline for submission for those authors who would like to publish their articles in Volume 1, No. 2, 2021. For submission please read carefully **Aims and Scope** of the journal and **Authors' Submission Guidelines**.
