WORLD JUDO CHAMPIONSHIPS HUNGARY 2021

 @MariusVizer

Welcome to Budapest and a very special World Championships

Hungary is no stranger to hosting judo events at the highest level. Having reopened the World Judo Tour in October 2020, after an enforced drought of competition, Budapest is now preparing to welcome athletes from all continents once again.

This World Championships, like no other before, is a glaring beacon in the calendar, bringing excitement and spectacle to judo fans everywhere, with the cream of the judo elite convening only weeks before the Olympic Games.

Budapest sits astride the Danube, used to international trade and negotiation, a hub for architects, artists and travellers, bringing a true international feel to any event staged there. With the diversity of judo arriving in the city, there promises to be vibrance on the tatami, amid the colour of Budapest's unique city backdrop.

As we continue to pull together as a sporting community, leading the way in organising safe, clean and spectacular events, this World Championships will offer unrivalled proof that the world is not just reopening for sport but is also seeing the re-emergence of a more recognisable daily life and we are proud to have played a significant part in that. Judo's values have never been more relevant and we steadfastly adhere to them as a summer in Tokyo approaches.

I wish all participants, organisers, volunteers and spectators a safe, energising and surprising tournament, as we invite the judo world to Budapest.

Yours in judo.

Mr Marius VIZER
President
International Judo Federation

WORLD JUDO CHAMPIONSHIPS HUNGARY 2021

Dear Judo Family,

On behalf of the Hungarian Judo Association, I would like to welcome each of you to the World Judo Championships 2021 and the Ordinary Congress of IJF. We can be proud that Hungary has already successfully organised a World Championships in 2017, but this year after the pandemic, we have proven that no virus can stop us as a judo family or take away our spirit. Despite what we have lost, despite the grief and hardship, we will be stronger and more determined because of this and our event will be organized at the highest level.

Over the years, there have been numerous goals in Hungarian Judo, several medals were collected by our World and European Champions. The Hungarian Government has also noticed the success of Hungarian Judo and thanks to this attraction the government has launched a very important support within the framework of Hungarian Judo Sports Development Program. Several results are already enjoyable by number of athletes and more and more modern sports center were built in the near past and further centers are waiting for drafting and establishing. Furthermore, we could strengthen the professional basis and number of athletes has doubled. Today, judo is available in all region of our country, but our aim is to enhance this productivity and with our help more and more Hungarian children may get opportunity to make judo sport greater.

We expect a sparkling event before the Tokyo 2021 Olympic Games and this week will be a very important event for many countries and judoka. The World Championship in Budapest will be a great celebration for sports lover Hungarians, because the best athletes of the judo will be fighting on the tatamis. In addition, we can give all our guests from abroad a warm welcome and show that humility and devotion are the key points to create the most appropriate conditions for the World Championship.

We will continue to devote our best efforts to ensure successful organization of the competition. I want to extend my sincere thanks to all those involved for countless hours of preparation and wish good luck for all of us and an enjoyable visit in Hungary.

IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!

The fundamental principle throughout all IJF events during the Covid-19 era is to Protect and Be Protected by wearing a mask, sanitising, distancing and respecting the recommendations of "**the Protocol for resuming IJF events during the Covid-19 pandemic**" hereafter referred to as IJF COVID-19 Protocol. All participants have the mutual responsibility to protect each other.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor President etc.) must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: covid.ijf.org

Before travelling

1. Passports must be valid for **at least 6 month** from the date of arrival. Check if you need a **visa**, and if yes, request it from the LOC according to the details in the visa section.
2. Get an **entry permission letter** for entry to Hungary from the Hungarian Judo Association.
3. Upload **travel** information (arrival and departures) to my.ijf.org

The Hungarian Government requires all arriving participants of World Championships to obtain and present on arrival to Hungary two (2) negative COVID-19 PCR test certificates in Hungarian or in English language. The tests are required to be made a maximum of **five (5) days** before arrival and 48 hours apart. During this 5-day period you should stay isolated and limit contact with other people as much as possible. If you experience any kind of symptoms do not start to travel (even with two negative PCR tests). Airlines may require you to show this on check-in and some airlines require the certificate to be no more than 72 hours before arrival in your destination (please check with your airline).
6. Upload just before arrival to my.ijf.org an individual **Liability Release Waiver** (Liab-Waiv) and **Declaration of Honour** (Dec-of-Hon) on the absence of symptoms for at least 14 days per delegate. The forms can be found in the documents section: <https://www.ijf.org/competition/2239>

National Federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. The organiser of the event and the IJF will not be responsible in the absence of insurance. INSCRIPTION OF DELEGATES

Athletes can be entered in ONLY one weight category per IJF WRL event. Participating athletes must be born in 2006 (15 years in the calendar year) or before.

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians "in loco parentis".

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 US\$ per accreditation, to be paid to the LOC.

WORLD JUDO CHAMPIONSHIPS HUNGARY 2021

During the contests, the non-competing athletes must stay within a marked area on the field of play behind the coaches' chair. Reserve athletes must not enter the field of play.

Before each match the team leader must select the athletes for each contest. From the maximum of two athletes inscribed in each category they can select one. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete.

If the team has no athlete in a category they should select the "no competitor" option.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from competition management. Once it is returned to competition management it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time). After the team bow the byes are displayed on the scoreboard and wins are given.

Example: If blue team has one category empty: 1:0

Example: if both teams have a different category empty: 1:1

Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).
