The points for Continental Open events will expire as follows :

- In the first 12 months after the tournament the points will count 100%.
After 12 months the points will be reduced to 50%.
- After 24 months the points will be reduced to 0 and not accounted anymore.

The dividing line is the following week (week number) in which the tournament was held.

Example : If tournament is held in week 17 of 2014, the points are reduced to half on the beginning of week 18 in 2015 and expired in the beginning of week 18 in 2016. Beginning of the week is defined as Monday.

For the equal treatment of all Continents, the Continental Championships Cadet are treated as if they were held in week number 26 regardless of the actual week number that they are organised in. The points reduction or expiration will therefore be done on Monday of week number 27.

Additional Rules:

- ▶ one contest must be won to get the points
- ▶ In case of equality of total points, the higher ranking will be decided by:
 - ▶ The highest sum of the current points from all World Championships.
 - ▶ The highest sum of the current points from all Continental Championships
 - ▶ The highest sum of the current points from all Continental Cups
- ▶ The highest current points from one single event, then, if needed, the second highest, and so on.

🔁 **The starting date: 1st January 2014 with 0 point for everyone** 🔄!
