#JudoZagreb

(Version 20 September 2021)

Zagreb Grand Prix, Croatia

 @MariusVizer

Welcome to Zagreb and a very special opening to a new Olympic cycle.

We have adapted and overcome and with an extraordinary effort from the whole judo community, we staged both the World Championships and the Olympic Games, jumping all barriers.

With the unique 5 year Olympic cycle behind us, we now move into another unique period, as Paris 2024 approaches and is already less than three years away. This presents a new set of challenges and so we must begin in earnest.

Zagreb, with its 1000 year history, is the location for the first World Judo Tour event of this new phase. Croatia has extensive experience, being a mainstay on the circuit for several years and this brings confidence and familiarity to proceedings. The Croatian capital is now preparing to welcome athletes from all continents once again and we are excited to meet the new generation of judoka whom have been inspired by the endeavours of their predecessors. This new cycle will undoubtedly bring an energising mix of new stars and remarkable achievements from the incumbents.

I wish all participants and organisers a safe and welcoming beginning to the Paris cycle as we invite the judo world to Zagreb.

Yours in judo

Marius VIZER
President
International Judo Federation

24 - 26 September 2021

Dear judo friends and distinguished guests,

As IJF Judo Tour returned on world sport scene after break caused by global COVID-19 pandemic, Judo Grand Prix Zagreb 2021 is again one excellent opportunity for the Croatian Judo Federation to welcome all judo family to Zagreb and express our hospitality to all – competitors as well as sports officials and members of national teams. In the period while we are still witnessing many health restrictions our first duty is to keep every contestant and every official coming to Zagreb, safe and healthy.

After Olympic Games in Tokyo, new Olympic cycle started and the battle for taking a better position on IJF World Ranking list began again with the main goal to give every judoka a fair chance to realize a dream to compete and win an Olympic medal.

As a host, we are looking forward to creating a hospitable ambience and positive sport atmosphere in our sport hall "Arena Zagreb" but also to generating possibilities for all judo officials to meet and discuss their ideas for the development of judo worldwide.

At the Croatian Judo Federation, we are focused on shaping the event that you will remember, promote our sport – judo as a modern and dynamic combat sport with many values and promote our city – Zagreb. To achieve this task, we need the support and help of our sponsors, city of Zagreb, as well as many volunteers and I would like to take this opportunity to thank them all.

I would also like to express my respect and appreciation to the IJF President, Mr. Marius Vizer for supporting the efforts of the Croatian Judo Federation in contributing to the IJF Judo Tour.

I wish all participants the best of luck, and safe trip to Zagreb and back home.

Dr. Sanda ČORAK
President
Croatian Judo Federation

IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!

The fundamental principle throughout all IJF events during the Covid-19 era is to Protect and Be Protected by wearing a mask, sanitising, distancing and respecting the recommendations of "**the Protocol for resuming IJF events during the Covid-19 pandemic**" hereafter referred to as IJF COVID-19 Protocol. All participants have the mutual responsibility to protect each other.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor President etc.) must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: covid.ijf.org

Before travelling

1. Passports must be valid for **at least 6 months** from the date of arrival. Check if you need a **visa**, and if yes, request it from the Local Organising Committee (LOC) according to the details in the visa section.
2. Get an **entry permission letter** for entry to Croatia from the Croatian Judo Federation.
3. Fill in the official Croatian Government application to enter Croatia. Application can be found on the following link: <https://entercroatia.mup.hr/>

6. Upload in advance to my.ijf.org and present, on arrival, at least **two (2) negative individual medical PCR COVID-19 test certificates** (PCR-1 and PCR-2). The Croatian Government requires all arriving participants of Zagreb Grand Prix to obtain and present on arrival to Croatia two (2) negative COVID-19 PCR test certificates in English language. The tests are required to be made a minimum of **eight (8) days** before arrival and 48 hours apart. During this 8-day period you should stay isolated and limit contact with other people as much as possible. If you experience any kind of symptoms do not start to travel (even with two negative PCR tests). Airlines may require you to show this on check-in and some airlines require the certificate to be no more than 48 hours before arrival in your destination (please check with your airline).
7. Upload just before arrival to my.ijf.org an individual **Liability Release Waiver** (Liab-Waiv) and **Declaration of Honour** (Dec-of-Hon) on the absence of symptoms for at least 14 days per delegate. The forms can be found in the documents section: <https://www.ijf.org/competition/2253>
8. Prepared epidemiological protocols in cooperation with the Croatian Institute of Public Health were developed in seven categories, from accommodation through nautical tourism and gastronomy to sport and recreation, and they can be found on the official website: www.safestayincroatia.hr. The website is available in 10 languages, and contains other important information, such as conditions for crossing the state border, coronavirus (COVID - 19) testing opportunities for tourists as well as a list of all facilities bearing the "Safe stay in Croatia" label.

Each National Federation is directly responsible for its athletes (the control of non-pregnancy and the control of gender).

It must assume all responsibility for accident and health insurance as well as civil liabilities during all IJF events for everyone under their charge.

National Federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. The LOC of the event and the IJF will not be responsible in the absence of insurance.

The entity contractually bound to the IJF for the organisation of the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration.

The LOC of the event and the IJF have no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event.

CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING

Delegates inscribed by their National Federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and IJF. It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

INSCRIPTION OF DELEGATES

Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her National Federation Flag or under the IJF flag, according to the specificity of the case.

Athletes can be entered in ONLY one weight category per IJF WRL event. Participating athletes must be born in 2006 (15 years in the calendar year) or before.

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions.

When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians "in loco parentis". This also applies to doping control. The National Federation must ensure that minor athletes have their parental/guardian permission to undergo testing.

Each National Federation may enter:

- Up to 14 entries for women with maximum 2 athletes per category.
- Up to 14 entries for men with maximum 2 athletes per category.

The host country may enter:

- Up to 28 entries for women with maximum 4 athletes per category.*
- Up to 28 entries for men with maximum 4 athletes per category.*

*From the host country only the best two (2) results from each category will be considered for the WRL Seniors.

Non-competing athletes or training partners can be inscribed as judoka.

After the deadline changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 US\$ per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 US\$ to be paid to the IJF.
