

IJF Referee World Ranking List

Latest Update: 17/10/2021

The IJF World Ranking List will consist of points from:

all IJF events.

IJF events:

- Special tournaments
- Grand Prix
- Grand Slam
- Masters
- World Championships (Cadets, Juniors, Seniors and Veteran)

Events for an entire active period are eligible.

The active period concerns the current year and the 2 entire previous calendar years.

The IJF Referee World Ranking List start after the Olympic Games 2020 (from September 2021).

The Ranking:

The ranking is based on the Rating scores:
Higher rating, better ranking.

The points for each individual event:

Evaluation points are assigned for each referee for each event.
Points are from 0.0 to 10.0, by 0.5 steps.

The Rating score is the average value considering all the evaluation points of the active period.
The average values are rounded to the nearest tenth.

The points are valid for the active period.
The points from the year before the current one and the 2 previous years are set to 0%.

Additional Rule:

In case of equality of rating value, the higher ranking will be decided by:
highest number of participated events
