COMPETITION FORMAT AND RULES JUDO

As of 23 JUN 2014

Youth Olympic Competition Format

The nine Youth Olympic Games Judo events consist of four men and four women individual events and one mixed team event:

Men	Women	Mixed International Team
-55kg	-44kg	Team (4 men and 4 women)
-66kg	-52kg	
-81kg	-63kg	
-100kg	-78kg	

Individual events

The individual competition will be run in accordance with the elimination system with full repechage, where all participants have the opportunity to compete at least twice. Judoka will be divided into two tables, A and B, by means of a draw, and then into two groups (sub-tables) within each table: A1, A2, B1 and B2. The elimination system will be used to produce two finalists.

All judoka defeated after each round of competition will take part in the repechage of their respective table according to the elimination system. The winner of each repechage will compete against the loser of the final of the opposite table for the two bronze medals. The winners of table A and table B will fight off for the gold and silver medals.

Mixed International Team event

Teams are composed of eight judoka (four men and four women) from different continents. The team competition will be run in a direct elimination format without repechage. The losers to the two finalist teams will be awarded a bronze medal each. The two finalist teams compete for the gold and silver medals. The four teams losing the Quarterfinals are classified equally 5th.

Contest Duration

The duration of the contests will be four minutes (actual time) for men and for women in accordance with the IJF Sport & Organisation Rules (SOR) and Refereeing Rules.

Weigh-in

The weigh-in for the competition will be conducted at the Youth Olympic Village under the supervision of officials appointed by the IJF. The official weigh-in for each weight category will take place on the morning of the respective competitions. Each competitor will be allowed only one weight control during the official weigh-in.

Competitors must weigh within the limits of the appropriate category and no tolerance will be allowed either above or below the weight category.

The unofficial weigh-in on the official scales will be available to competitors who are competing on that day.

Differences between the IJF Cadets World Championships and the Youth Olympic Games

The IJF Cadets World Championships are open for participation with no qualification required.

Changes since the Singapore 2010 Youth Olympic Games

- The lowest Koka score has been removed.
- The first "Shido" (penalty) has been changed to a free warning not providing a positive advantage to the opponent.

Sport Rules and Procedures

Competition Method

The Judo competition will be held in accordance with the IJF Sport & Organisation Rules (SOR) and Refereeing Rules.

Tie Break Rules (Hantei) and Procedures

Individual events

When the time allotted for the contest ends (four minutes) and there is no score, or scores for both contestants are equal, a "Golden Score" will decide the result of the contest.

During the "Golden Score" the refereeing scoreboard will retain the complete data from the initial contest, with the exception of the contest duration.

The first score or penalty awarded will decide the contest, and the contest is stopped.

If during the "Golden Score", a direct Hansoku-make is awarded, the result for the penalised contestant will have the same consequences as during a normal contest.

Team

In case of an equal number of wins for each team, then the highest sum of winning score points will decide (Ippon=100, Waza-ari=10, Yuko=1, Shido=0).

In case of an equal number of wins and an equal number of scoring points, then a random draw is made and one couple will perform a golden score contest where the first score or penalty of any kind decides the winning team.

Penalties / Disqualification Rules

All penalties are divided into "Slight" infringement - Shido (a type of warning) and "Grave" infringement - Hansoku-make (direct disqualification).

All of the prohibited acts or tactical actions that do not affect the integrity of the contestants nor are against the spirit of Judo, are treated as Slight infringements and are considered as technical and tactical faults and the contestant will receive a "Shido" penalty.

The repetitions of prohibited acts that are penalized with Shido are cumulative. In the contest score, repeating a Shido would become: 2nd Shido = Yuko for the opponent, 3rd Shido = Waza-Ari for the opponent, and 4th Shido = Ippon. That means that after a 4th Shido, the contest will be stopped and the opponent will be declared winner.

There are several possibilities for disqualification (Hansoku-make) within the sport of Judo.

1. In the case of Hansoku-make resulting from "progressive" penalties, the contestant penalized with four Shidos is allowed to continue competition in repechage, including the bronze medal contest (if applicable).
2. In the case of direct Hansoku-make for "protection" of the athlete (diving head first onto the mat), the competitor is allowed to continue competition in repechage, including the bronze medal contest (if applicable).
3. In the case of direct Hansoku-make for acts against the Judo spirit and/or application of dangerous techniques the competitor is excluded from the competition. If it is Hansoku-make for acts against the Judo spirit a sanction can be added.

For details please refer to the IJF Sport and Organisation Rules (SOR) and Refereeing Rules.

Winning Technique

In order to provide information on which technique was used while winning the contest, the IJF uses various codes (140 of them) that are listed together with the contest score in the Contest Result reports and Contest List. These codes are mostly used by statisticians. The full list of codes is available on the IJF website.

Protests / Appeals

No protests against the Referees' decision will be accepted.

Note:

For further information please consult: www.ijf.org
