Mr. Vicentini's case : Participation under the IJF flag

Dear EC Members, Dear Colleagues,

We received the request from the Paraguay Judo Federation, regarding the participation of the athlete Mr. Marcelo Vicentini in IJF or Continental Unions events under the IJF flag.

Mr. Vicentini just moved from Lebanon to Paraguay with his father, but for now cannot represent Paraguay in IJF or Continental Unions events, since he does not hold the Paraguayan citizenship and is not yet eligible to the Junior and younger immigrants rule.

According to the article 1.7.2 of the IJF SOR, "for events organised by the IJF or under its auspices, the IJF Executive Committee, in order to protect the interest of the athlete, can authorise that the athlete can compete under the IJF flag for any reason (for example: non-official refugee status of the athlete, non-recognition of the NOC by the IOC, suspension of the National Federation etc.).".

Therefore, we propose to authorize this athlete to compete in IJF and Continental Unions events under the IJF flag, for a period of one year, until he is eligible to the Junior and younger immigrants rule.

Please send me your approval before Tuesday September 3 2019.

Best regards,

Jean-Luc ROUGÉ

VERY URGENT VOTE : Coronavirus - for immediate approval

Dear EC Members,

In light of the continuous new developments in the COVID-19 crisis and the deterioration of the situation in many countries, traveling has become more and more risky, and so have become any public gatherings.

We are in the unfortunate position where we must take a drastic decision in order to protect the judo family and also to comply with the general safety measures all around the world.

My proposal is the following:

- the ranking points obtained by the athletes until today, March 9, are valid - with the exception of Rabat Grand Prix which did not take place
- IJF freezes the IJF Calendar and all Olympic qualification tournaments until April 30, 2020
- IJF intends to hold the Baku Grand Slam and the Master Qatar as planned, provided the global health situation improves
- In June, Budapest Grand Prix will become Grand Slam.

Please send me your approval urgently, as we need to inform the local organisers and the Grand Slam in Russia is very close.

- Continental Championships planned in period until 30th April 2020 will be postponed

Fabia Conceicao's case - Sao Tome and Principe : Participation under the IJF flag

Dear EC Members, Dear Colleagues,

We were contacted by the Sao Tome and Principe National Olympic Committee, regarding the case of the athlete Ms. Fabia Mafsa Carvalho da Conceição.

There is currently no Judo Federation in Sao Tome and Principe, and therefore the athlete cannot compete in international Judo events organized under IJF auspices.

According to the article 1.7.2 of the IJF SOR, "for events organised by the IJF or under its auspices, the IJF Executive Committee, in order to protect the interest of the athlete, can authorise that the athlete can compete under the IJF flag for any reason (for example: non-official refugee status of the athlete, non-recognition of the NOC by the IOC, suspension of the National Federation etc.).".

We believe that the participation of the athlete to international events could be an incentive element for a Judo group to set up and then ask for the affiliation to the IJF.

Sao Tome and Principe Olympic Committee commits itself to create, as soon as possible, a National Judo Federation in compliance with the IJF statutes. It will have to state that this athlete have all insurances, in conformity with the article 1.3 of the IJF SOR, in order to participate.

Therefore, we propose to authorize this athlete to compete in IJF events under the IJF flag, until June 2021 at the latest.

Please send me your approval before Wednesday March 25, 2020.

Jean-Luc ROUGÉ

Paris 2024

Dear EC Members,

I hope you and your families are well, safe from any Coronavirus problems!

In the preparation process for the Paris 2024 Olympic Games, we are now at the point where we have to choose a delivery model which suits our organization.

The four delivery models proposed are the following:

1. Current model OG model - Judo event organised by the local organising committee and IJF
2. IF Sports organisation - entire sports part of the event organised by IJF
3. IF Event organisation - entire event organised by IJF
4. Third party event organisation - event organised by a third party, which can also be the National Federation.

After several discussions with Paris 2024, we learned the following details:

- in case we take model 3 or 4, we must go into a public tender as per French law
- in case we take model 3 or 4, we must deliver a model which is also suitable for Wrestling, sport which will compete in the same venue after Judo
- in case we take model 3 or 4, we also become responsible for the Paralympic Judo competition and the model has to also be suitable for Paralympic Table Tennis
- the venue will be the Grand Palais Ephemere, a temporary venue which is small, but iconic and it will be at the heart of the city, near the Eiffel Tower, in the proximity of the fan zone

- following preliminary discussions and work around the venue, unfortunately the venue will not be an easy one and there are various space and environment restrictions related

Should you have any questions, we are at your disposal.

For your information, the IJF working group composed of General Secretariat, Sports Department and Presidential Office recommends Model 2.

Please answer with the delivery model of your choice until Monday morning - June 29, 2020.

Thank you in advance for your cooperation, I wish you good health and all the best!

World Judo Tour 2020

Dear EC Members,

I hope this email finds all of you in good health and spirits!

With the Covid-19 situation deteriorating in most parts of the world and many countries in Europe being in lockdown, we can see a deterioration of the global health crisis.

As countries are closing and cancelling sports events, the situation proves to be difficult in Croatia as well, and the venue for the Zagreb Grand Prix cannot be at the disposal of the organisers in the coming period, due to the restrictions.

Given these circumstances, I believe that the best decision would be to not organise any more competitions in 2020, and consequently inform about the cancellation of the planned Zagreb Grand Prix.

We can continue to focus on finding the best solutions for next year, 2021 and start preparations and implement the best strategy for the Qatar Masters in January 2021.

I would like to ask you to send me your vote regarding this proposal, within 24 hours, in order to be able to inform the Croatia judo Federation and the Judo Family.

Thank you in advance for your cooperation, I wish you and your families lots of health!

URGENT VOTE : 9thDan for Mr. Klaus GLAHN

Dear EC members, Dear Friends,

In this year of the 55th anniversary of the Tokyo Olympic Games and in this specific context, it felt important to recognise some competitors from the beginning of the 1960s.

Klaus Glahn, Tokyo Olympic Games bronze medallist in the open category, behind Anton Geesink and Akio Kaminaga, regarding his involvement in Judo as a volunteer (President of the German Judo Federation, coach and referee) deserves to be recognized for his “Judo” values with the awarding of his 9th Dan Grade, on an exceptional basis.
