*Education and Sport through school is crucial for the well-being and empowerment of youth, contributing to their development of leadership skills. We must provide youth with equal opportunities, which starts in school and can only be achieved through proper education and includes sport.*

## ISF Gymnasiade Normandy 2022

ISF Gymnasiade – School Summer Games is a multisport event characterized by a balanced program between sport and educational content: to create awareness about the role of sport in putting forward topics such as fair play, healthy lifestyle, respect and inclusion. The Gymnasiade holds both individual and team competition. Beside the sport programme, special emphasis will be given in educational and cultural topics. The ISF School Summer Games is organised every 2 years during even-numbered years.

This 19th ISF Gymnasiade School Summer Games Normandy 2022 will host 20 sports, with 5 of them being new to the programme.
