2. Regulations to minimize COVID-19 related risks
ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!

The fundamental principle throughout all EJU events during the COVID-19 era is to Protect and Be Protected by wearing a mask, sanitising, distancing and respecting the recommendations of the “Protocol for resuming IJF events during the COVID-19 pandemic” hereafter referred to as the IJF COVID-19 Protocol. All participants have the mutual responsibility to protect each other.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor President etc.) must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: covid.ijf.org

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low. Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any EJU event must follow the same protocol (being PCR tested before the event, upon arrival, during the event (if necessary), wear a mask, wash hands, follow the bubble system, etc.) to protect and be protected, in the spirit of unity and solidarity which is in our community’s moral code.

COVID-19 DOCUMENTS
All pre-event COVID-19 documents must be uploaded on the IJF platform: my.ijf.org before travelling. If assistance is required please contact covid@ijf.org. Fourteen (14) days after the event, all data will be deleted.
