I would like to welcome all participants and guests to Tbilisi Grand Slam 2022. We are very happy and proud to host this event for the second time.

Georgian judo achieved records and very impressive results in 2021, especially the Olympic Games are worth mentioning. Judo is the number one sport in Georgia and the number of athletes is growing day by day. Our fans are looking forward to the Grand Slam tournament.

This is a great honor for us and I would like to thank again the President of IJF, Mr Marius Vizer for the trust and this great opportunity. I do hope, despite of prolonging World Pandemic, all judoka, guests and team officials will have a great event.

We are looking forward to welcome you in Tbilisi.

IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of "**IJF COVID-19 Protocol**". All participants have the mutual responsibility to protect each other.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor President etc.) must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: [covid.ijf.org](https://www.ijf.org/covid)

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low. Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any IJF event must follow the same protocol to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

To maintain the required safety level at the IJF events, the following variants of vaccination are recognised as complete vaccination and the bearers as "fully vaccinated" within the validity period. In case the validity expires during an event, the status is upheld until the last day of the event.

The IJF accepts all vaccination types, not only EMA or WHO approved products.

Type of protection	Minimum time elapsed	Maximum time elapsed
1 dose of and 1 dose vaccines (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
Booster doses: 3rd or additional dose (2nd dose after a 1 dose vaccine)	Minimum 7 days from the last dose	To be determined by the WHO, currently no end of validity
Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
1 dose and recovery from infection	Minimum 11 days from the positive PCR test	Maximum 6 months from the positive PCR test
Recovery from infection	Minimum 11 days from the positive PCR test	Maximum 6 months from the positive PCR test

Vaccination validity is subject to change according to WHO recommendations. Please, note host country vaccination criteria may differ from the IJF's, always check the local rules before travelling.

03 - 05 June 2022

The judo community has reached an important milestone; the average vaccination and/or recovery level is now steadily around 80% for the IJJF World Judo Tour events. This allows us some softening of the IJJF COVID-19 Protocol.

Bubble system

Partial bubble: participants may exit their hotel for “work activities” i.e., run/ walk to training and/or competition venue, general exercising, running etc., not for tourist activities. Visiting the host city for sightseeing or shopping is still not allowed during a competition. Delegations are expected to control themselves to reduce the risk of infection.

Mask wearing

Mask wearing is optional*, unless it is mandated by the host country’s government with the exceptions of competing/refereeing/coaching/awarding ceremony, on/at the Field of Play tatami, on the warm-up tatami whilst warming up or on the training tatami whilst training, or while eating in designated dining areas.

*The IJJF Medical Commission still recommend the wearing of masks in areas where social distancing is not possible.

Testing requirements before and after arrival (see tables below)

For vaccinated: no change.

For non-vaccinated / with vaccination older than 6 months: same as for vaccinated until further notice.

For those who have tested positive within one month to their intended arrival to an event, the status “**Recovered**” (a dated positive PCR test, a positive antigen test or recovery certificate must be uploaded to my.ijf.org) is introduced with the following testing protocol:

Recovered: 1 negative PCR test before arrival, 1 antigen test upon arrival (if permitted by the host country, otherwise 1 PCR), 1 antigen 24h after arrival, 1 antigen before weigh-in / 48h after arrival for non-athletes.

People claiming the **RECOVERED** status for an event **MUST** contact the IJJF via covid@ijf.org in advance before they start their travel.

Further softening of the IJJF COVID-19 Protocol will be made once the vaccination/recovery levels reach 85% or higher. Therefore, we encourage the judo family to continue to report/upload their vaccination documents.

COVID-19 DOCUMENTS

All pre-event COVID-19 documents must be uploaded on the IJJF platform: my.ijf.org before travelling. If assistance is required please contact covid@ijf.org. Fourteen (14) days after the event, all data will be deleted.

Athletes can be entered in ONLY one weight category per IJF WRL event.

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.
