VALID POINTS

look back 12 months from today	<ul style="list-style-type: none"> • Three best results from Continental Cups • Results from last Continental Championships • Results from last World Championships 	100%
look back 13-24 months	<ul style="list-style-type: none"> • Three best results from Continental Cups • Results from last Continental Championships • Results from last World Championships 	50%
look back over 24 months	<ul style="list-style-type: none"> • All results 	0%

The points for World Championships and Continental Cup events will expire as follows:

- In the first 12 months after the tournament the points will count 100%.
 - After 12 months the points will be reduced to 50%.
- After 24 months the points will be reduced to 0 and not accounted anymore.

The dividing line is the following week (week number) in which the tournament was held.

Example: If tournament is held in week 17 in the year Y, the points are reduced to half on the beginning of week 18 in the next year (Y+1) and expired in the beginning of week 18 in the year after (Y+2). Beginning of the week is defined as Monday.

Exception: For the equal treatment of all Continents, the Continental Championships Junior are treated as if they were held in week number 26 regardless of the actual week number that they are organised in. The points reduction or expiration will therefore be done on Monday of week number 27.

Participation points will be given for Continental Championships Junior and World Championships Junior.
A minimum of one contest must be won to get points.

Oldest Year of Birth: 2002
 Youngest Year of Birth: 2007

Additional Rules:

- In case of equality of total points, the higher ranking will be decided by the following criteria:
- The highest sum of the current points from all World Championships.
 - The highest sum of the current points from all Continental Championships.
 - The highest sum of the current points from all Continental Cups.
 - The highest current points from one single event, then, if needed, the second highest, and so on.
