Budapest Grand Slam, Hungary

08 - 10 July 2022

@MariusVizer

Dear judo family,

I welcome you to the city of Budapest and to a grand slam close to our hearts. The Hungarian government continues to support the sport of judo, working tirelessly to provide the highest standards of service to all visitors, from judoka to organisers. Hungary delivers world class sport and world class hospitality.

This promises to be not just a spectacular display of the finest judo but as the second Olympic qualification event on the road to Paris 2024, it will also be a showcase for the will and determination of our athletes and coaches as they get into the core period of the shortest ever Olympic cycle.

We are pleased to now be working with more relaxed Covid protocols, still meeting all sanitary needs, but thanks to the whole judo community and their diligence we have managed to keep our judoka safe throughout the last two years. This is reflected in our updated protocols. Thank you for continuing to work together for the benefit of all.

I, the Hungarian organisers and the International Judo Federation wish health and success to all attendees and thank all volunteers for their care and professionalism. Welcome to Budapest!

Yours in judo,

Marius L. VIZER
President
International Judo Federation

Budapest Grand Slam, Hungary

08 - 10 July 2022

Dear Judo Friends,

On behalf of the Hungarian Judo Association it is my great pleasure to welcome you, old and rising stars of judo to the Judo Grand Slam Hungary 2022 this summer in Budapest.

It is always a huge honour to us to be a host of such an important piece of IJF World Tour like a Grand Slam and now it is even more an extraordinary occasion for the judo family all around the world since the Olympic qualification for Paris 2024 started in May. As the current Olympic cycle is rather short, judoka must seize every opportunity and use it to the best of their ability to secure their place at the five-round games. To help you to achieve your noble goal, we are committed to provide the best conditions for the highest level contests.

We would like to express our sincere thanks to the Government of Hungary, the International Judo Federation and all our highly appreciated sponsors and collaborated partners for their continued trust and support to make this event a reality.

Looking forward to meeting you soon, I wish all of us spectacular contests and a great time together in Budapest.

Dr. Laszlo TOTH
President
Hungarian Judo Association

IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of "IJF COVID-19 Protocol". All participants have the mutual responsibility to protect each other.

Each media participant must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: [covid.ijf.org](https://www.ijf.org/covid)

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low. Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any IJF event must follow the same protocol to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

To maintain the required safety level at the IJF events, the following variants of vaccination are recognised as complete vaccination and the bearers as "fully vaccinated" within the validity period. In case the validity expires during an event, the status is upheld until the last day of the event.

The IJF accepts all vaccination types, not only EMA or WHO approved products.

| Type of protection | Minimum time elapsed | Maximum time elapsed |
|---|--|---|
| 1 dose of and 1 dose vaccines (Janssen, Sputnik Lite, or other) | Minimum 28 days from receiving the dose | Maximum 6 months from receiving the dose |
| 2 doses of any 2 dose vaccines | Minimum 14 days from the 2nd dose | Maximum 6 months from the 2nd dose |
| Booster doses: 3rd or additional dose (2nd dose after a 1 dose vaccine) | Minimum 7 days from the last dose | To be determined by the WHO, currently no end of validity |
| Recovery from infection and 1 dose | Minimum 14 days from receiving the dose | Maximum 6 months from receiving the dose |
| 1 dose and recovery from infection | Minimum 11 days from the positive PCR test | Maximum 6 months from the positive PCR test |
| Recovery from infection | Minimum 11 days from the positive PCR test | Maximum 6 months from the positive PCR test |

Vaccination validity is subject to change according to WHO recommendations.

Please note that the host country vaccination criteria may differ from the IJF's, always check the local rules before travelling.

Budapest Grand Slam, Hungary

08 - 10 July 2022

The judo community has reached an important milestone; the average vaccination and/or recovery level is now steadily around 80% for the IJF World Judo Tour events. This allows us some softening of the IJF COVID-19 Protocol.

Bubble system

Partial bubble: participants may exit their hotel for “work activities” i.e., run/ walk to training and/or competition venue, general exercising, running etc., not for tourist activities. Visiting the host city for sightseeing or shopping is still not allowed during a competition. Participants are expected to control themselves to reduce the risk of infection.

Mask wearing

Mask wearing is optional*, unless it is mandated by the host country’s government with the exceptions of competing/refereeing/coaching/awarding ceremony, on/at the Field of Play tatami, on the warm-up tatami whilst warming up or on the training tatami whilst training, or while eating in designated dining areas.

*The IJF Medical Commission still recommend the wearing of masks in areas where social distancing is not possible.

Testing requirements before and after arrival (see tables below)

For vaccinated: no change.

For non-vaccinated / with vaccination older than 6 months: same as for vaccinated until further notice.

For those who have tested positive within one month to their intended arrival to an event, the status “Recovered” (a dated positive PCR test, a positive antigen test or recovery certificate must be uploaded to my.ijf.org) is introduced with the following testing protocol:

Recovered: 1 negative PCR test before arrival, 1 antigen test upon arrival (if permitted by the host country, otherwise 1 PCR), 1 antigen 24h after arrival, 1 antigen before weigh-in / 48h after arrival for non-athletes.

People claiming the RECOVERED status for an event MUST contact the IJF via covid@ijf.org in advance before they start their travel.

Further softening of the IJF COVID-19 Protocol will be made once the vaccination/recovery levels reach 85% or higher. Therefore, we encourage the judo family to continue to report/upload their vaccination documents.

COVID-19 DOCUMENTS

All pre-event COVID-19 documents must be uploaded on the IJF platform: my.ijf.org before travelling. If assistance is required, please contact covid@ijf.org. Fourteen (14) days after the event, all data will be deleted.

EVENT PARTICIPATION (refer also to section 2)

Budapest Grand Slam, Hungary

08 - 10 July 2022

INSURANCE

It is the responsibility of the media participant to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19 related costs, including repatriation.
