Passports or photocopies of passports from all competitors must be available on request (national ID Card showing nationality, picture and date of birth or a copy is also accepted). The competitors must not be present at the nationality control.

Very important: Each National Federation must be represented by a team leader or coach responsible for registration of ALL athletes from the respective National Federation, regardless club or other membership. Every National Federation will be accepted for accreditation only once, when all entries and payments can be confirmed at the same time.

12. Competition Mode

- 2 entries: better of 2 fights, if 1-1 the third match will decide

In order for an athlete to obtain points for the European Ranking List, her/his weight category should have participants from at least 2 different countries. If this is not the case, the competition can still be held, according to the organiser’s decision. If, by the nominal deadline, there is only one country inscribed in any weight category, the organiser is obliged to inform immediately the National Federation concerned.

13. Draw

The draw will be held ONLINE.

Seeding: The top four (4) from the entered competitors in each weight category will be seeded according to the current EJU European Ranking List.

14. Weigh-in

Official weigh-in for each weight category is held the evening before the competition day (see program). Athletes must present their EJU accreditation card and their passport (National ID Cards showing nationality, picture and date of birth are also accepted).

15. Refereeing

Each federation may enter 2 referees. The organizing federation may enter as many referees as required for the realization of the tournament but giving priority to their own Continental/International referees first and then their national referees with the highest national license with at least 2 years of experience.
If enough Continental/International referees are inscribed in Judobase, the organizing federation has to limit its number of national referees to 1 per mat.

All Judoka must compete in IJF Approved Judogi (only red label allowed) and Judogis from all IJF suppliers are allowed (see www.ijf.org → Official Supplier List).

Judogi Control
It will be operated with a Sokuteiki prior to the fight. Judogi must have an IJF Official Label “APPROVED JUDOGI” with an optical code which cannot be falsified. The label will be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have an IJF official label.

Backnumber
Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from [www.mybacknumber.com](http://www.mybacknumber.com) or [www.officialbacknumber.com](http://www.officialbacknumber.com) (Attention: production and delivery may take around 4 weeks).

The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

**Markings and Advertising**

The space on the **shoulder stripes** (25cm x 5 cm on both right and left side) and on the **upper arms** (10cm x 10cm on both right and left side) can be either used for own sponsors of the Federation or Judoka or EJU Suppliers, *BUT not for any other Judogi supplier*.

The space on the **right chest** (5cm x 10cm) can be used by the Judoka for his/her own sponsor. The logo of a Judogi brand can only be used, if it corresponds with the brand of the Judogi itself and if it is an EJU Supplier. Further, no logo of a competing brand of the advertising reserved for the Federation can be used (unless approval granted by the Federation).

**Please note:** On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the **left chest** (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed).

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules. Detailed information is available on [http://www.eju.net/statutes](http://www.eju.net/statutes).

**Important:**

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.

**21. Responsibility of Federations**

The competitors will compete under the full responsibility of their federations. Insurance: Each national federation is responsible for insuring its competitors against “injury and third part risk (public liability)” during the period of the event. The European Judo Union and the organiser decline all responsibility.

**Consent for Photography/Videos/Filming**

Delegates inscribed by their National Federations for EJU events consent to the EJU and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and EJU. It will also be acquired by the EJU and its media partners from in and around all EJU event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes. The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian. If a delegate does not give consent, then the National Federation must inform the European Judo Union by writing to headoffice@eju.net.
