(Version 18 June 2022)

 @MariusVizer

Dear judoka, coaches and delegations,

It is my great pleasure to welcome you to Sarajevo on the occasion of the World Championships for Cadets.

I have been so impressed by our young judoka over the last two years, during a time when even participation in training was stopped or at least modified. Through that time our cadets have persevered and adapted and found new ways to continue their development and this world championships is testament to that effort. As judo's founder, Jigoro Kano Shihan said, "Where there is effort, there is always accomplishment" and this has never been more true than it is now.

Their perseverance and will to succeed have been visible and it is thanks to that dedication that the level remains so very high, despite the global health situation that has turned us all upside down.

Sarajevo is ready to receive the world's best young competitors, as an energetic hub for the meeting of cultures, sports and travellers. It is here in Bosnia and Herzegovina that we celebrate together the achievements of our cadets in the spirit of true friendship and respect.

I wish all organisers, volunteers and delegations a safe and rewarding visit to Sarajevo as we join together to applaud our new cadet world champions.

Yours in judo,

**Mr Marius L. VIZER**  
**President**  
**International Judo Federation**

# Sarajevo World Championship Cadets 2022, Bosnia and Herzegovina 24-28 August 2022

Dear Judo Friends,

On behalf of the Bosnia and Herzegovina Judo Federation, I would like to welcome you to the World Championships Cadets 2022, one of the biggest official sports manifestation, which is being held in the independent state of Bosnia and Herzegovina.

I am honoured to invite all distinguished members of the International Judo Federation to our beautiful country and the City of Sarajevo where we will organize the World Championships Cadets 2022 on 24-28 August.

Our Federation and all persons involved in the technical organization, as always, will do their best to make the event go well, especially when it is known that this is the first World Championship for Cadets after the Covid19 pandemic

We are especially honoured to organize this Championship when we celebrate the 30th anniversary of our federation's membership in IJF and EJU.

Therefore, the Judo Federation of Bosnia and Herzegovina is a relatively young member of the IJF and EJU, but we are proud of the fact that we have so far successfully organized a large number of European Championships, European Cups for seniors and juniors, Europe Open and for the second time we have the honour and pleasure to organize World Championships for Cadets.

I would like to thank Mr. Marius Vizer, President of the International Judo Federation for the confidence shown in the assignment of the event and the local Authorities for the support provided to the Organizers.

**Mr Branislav Crnogorac PhD**  
**President**  
**Bosnia and Herzegovina Judo Federation**

## **IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC**

**ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!**

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of "**IJF COVID-19 Protocol**". All participants have the mutual responsibility to protect each other.

Each media participant must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: **[covid.ijf.org](https://www.ijf.org/covid)**

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low.

Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any IJF event must follow the same protocol to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

Further softening of the IJF COVID-19 Protocol is at 90% or higher vaccination level.

We strongly encourage all Judo Family members to get vaccinated or get their booster dose to contribute to the overall protection level of the IJF World Judo Tour events.

To maintain the required safety level at the IJF events, the following variants of vaccination are recognised as complete vaccination and the bearers as "fully vaccinated" within the validity period.

In case the validity expires during an event, the status is upheld until the last day of the event.

The IJF accepts all vaccination types, not only EMA or WHO approved products.

Vaccination validity is subject to change according to WHO recommendations.

Please, note host country vaccination criteria may differ from the IJF's, always check the local rules before travelling.

	Type of protection	Minimum time elapsed	Maximum time elapsed
<b>1st series of vaccination</b>	1 dose (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
	2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
	Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
	1 dose and recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR
<b>Additional series of vaccination*</b>	Booster/revaccination dose(s)	From the day of vaccination	To be determined by the WHO, currently no end of validity
<b>Recovery</b>	Recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR

\*Where the protection level is expressed by a fraction number, a quotient of the number of received doses/ number of required doses, all with the sum higher than 1, e.g., 2/1, 3/1, 3/2, etc. are also considered as having the booster dose.

#### BUBBLE SYSTEM

Partial bubble: participants may exit their hotel for “work activities” i.e., run/ walk to training and/or competition venue, general exercising, running etc., not for tourist activities. Visiting the host city for sightseeing or shopping is still not allowed during a competition. Delegations are expected to control themselves to reduce the risk of infection.

#### MASK WEARING

Mask wearing is obligatory from the airport to the testing station while in transfer, otherwise optional. Subject to change according to local government regulations.

The IJF Medical Commission strongly recommend the wearing of masks in areas where social distancing is not possible, e.g., during air travel even if it is not required, in hotel lobby, etc.

#### COVID-19 DOCUMENTS

All pre-event COVID-19 documents must be sent to [covid@ijf.org](mailto:covid@ijf.org) before travelling. All documents are deleted fourteen (14) days after the event.

#### EVENT PARTICIPATION (refer also to section 2)

The LOC Government measures may be stricter than those detailed in the IJF COVID-19 protocol or vice versa, the stricter rules MUST be followed.

### INSURANCE

It is the responsibility of the media participant to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19 related costs, including repatriation. The LOC of the event and the IJF accept no liability for any claims relating to cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a media participant during the event.
