 @MariusVizer

Dear judoka, coaches and delegations,

It is my great pleasure to welcome you to Ecuador on the occasion of the World Championships for Juniors.

I am proud of the great spirit the world's young elite have shown in these challenging two years just passed. Their determination and will to succeed have been visible and it is thanks to that persistence that the level remains so very high, despite the global health situation that has turned us all upside down.

Guayaquil is the perfect location in which to receive the world's best competitors, as it has been an international port town for centuries, welcoming visitors from all continents throughout its colourful history. It is here that we celebrate together the achievements of our juniors in the spirit of friendship and solidarity.

I wish all organisers, volunteers, competitors and teams a safe and happy visit to Ecuador as we crown our new junior world champions.

Yours in judo,

**Marius L. VIZER**  
**President**

## **IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC**

**ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!**

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of "**IJF COVID-19 Protocol**". All participants have the mutual responsibility to protect each other.

Each media participant (athlete, coach, team official, physiotherapist, doctor President etc.) must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: **[covid.ijf.org](https://www.ijf.org/covid)**

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low.

Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any IJF event must follow the same protocol to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

Further softening of the IJF COVID-19 Protocol is at 90% or higher vaccination level.

We strongly encourage all Judo Family members to get vaccinated or get their booster dose to contribute to the overall protection level of the IJF World Judo Tour events.

To maintain the required safety level at the IJF events, the following variants of vaccination are recognised as complete vaccination and the bearers as "fully vaccinated" within the validity period.

In case the validity expires during an event, the status is upheld until the last day of the event.

The IJF accepts all vaccination types, not only EMA or WHO approved products.

Vaccination validity is subject to change according to WHO recommendations.

Please, note host country vaccination criteria may differ from the IJF's, always check the local rules before travelling.

## Individuals And Mixed Teams

10-14 August 2022

	Type of protection	Minimum time elapsed	Maximum time elapsed
<b>1st series of vaccination</b>	1 dose (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
	2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
	Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
	1 dose and recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR

<b>Recovery</b>	Recovery from infection	Minimum <b>7 days</b> from the positive PCR	Maximum 6 months from the positive PCR

\*Where the protection level is expressed by a fraction number, a quotient of the number of received doses/ number of required doses, all with the sum higher than 1, e.g., 2/1, 3/1, 3/2, etc. are also considered as having the booster dose.

### BUBBLE SYSTEM

Partial bubble: participants may exit their hotel for “work activities” i.e., run/ walk to training and/or competition venue, general exercising, running etc., not for tourist activities. Visiting the host city for sightseeing or shopping is still not allowed during a competition. Delegations are expected to control themselves to reduce the risk of infection.

### MASK WEARING

- Mask wearing is obligatory with the exceptions of competing/refereeing/coaching/awarding ceremony, on/at the Field of Play tatami, on the warm-up tatami whilst warming up or on the training tatami whilst training, or while eating in designated dining areas.

The IJF Medical Commission strongly recommends wearing a mask on flights/trains/buses/any closed environment even if it is not obligatory (anymore).

### COVID-19 DOCUMENTS

All pre-event COVID-19 documents must be uploaded on the IJF platform: [my.ijf.org](https://my.ijf.org) before travelling. If assistance is required please contact [covid@ijf.org](mailto:covid@ijf.org). PCR test documents are deleted fourteen (14) days after the event.

### EVENT PARTICIPATION (refer also to section 2)
