

## Check list for the Krakow World Veterans & Kata Championships 2022

- Paying for the Veteran Card
- Booking/paying for accommodation
- Getting visa (if applicable)
- Getting in contact with the national judo federation
- Uploading vaccination/recovery certificate(s) to **my.ijf.org**

Max. 1 month before participation

- Getting a Medical clearance
- Uploading the Medical clearance to **my.ijf.org**

Max. 4 days before the arrival to the official hotel

- Taking a PCR test
- Uploading the PCR test report before starting the travel

**Only negative PCR test reports are accepted.**

- ◇ The IJF online data system **my.ijf.org** is designed to be operated by national judo federation administrators or persons they provide access to the system.

**For document upload, please, contact your national judo federation.**

- ◇ Vaccination information is collected to monitor the protection level of the entire Judo Family. Any detail on the vaccination/recovery level of people attending judo events helps the IJF Medical Commission to evaluate the pandemic hazard and amend the IJF COVID-19 Protocol.

**Vaccination is not a prerequisite to participate in the championships.**

- ◇ Medical clearance is needed for the protection of the participants. Veterans events mandate that all judoka wishing to participate at the championships must be medically checked prior the event.

**A Medical Clearance is a MANDATORY prerequisite to participate in the Krakow World Championships Veterans 2022. Judoka without the Medical Clearance will not be accredited to the event.**

Medical Clearance is not required for the participants of the Krakow World Championships Kata 2022, however the IJF Medical Commission strongly recommend a basic medical check-up for each contestant.
