IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!

The fundamental principle throughout all IJF / PJC events during the COVID-19 era is to Protect and be Protected by wearing a mask, sanitising, distancing and respecting the recommendations of the IJF COVID-19 Protocol. All participants have the mutual responsibility to protect each other.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor President etc.) must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: [covid.ijf.org](https://www.ijf.org/covid)

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low.

Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any IJF event must follow the same protocol to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

Further softening of the IJF COVID-19 Protocol is at 90% or higher vaccination level.

We strongly encourage all Judo Family members to get vaccinated or get their booster dose to contribute to the overall protection level of the IJF World Judo Tour events.

To maintain the required safety level at the IJF events, the following variants of vaccination are recognised as complete vaccination and the bearers as "fully vaccinated" within the validity period.

In case the validity expires during an event, the status is upheld until the last day of the event. The IJF accepts all vaccination types, not only EMA or WHO approved products. Vaccination validity is subject to change according to WHO recommendations.

Minors (under 18) are considered fully vaccinated after completing the first series of vaccination with no end of validity until further decision.

Please, note host country vaccination criteria may differ from the IJF/PJC, always check the local rules before travelling.

VACCINATED		
Type of protection	Minimum time elapsed	Maximum time elapsed
1 dose vaccines (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
1 dose and recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR
Booster doses: 3rd or additional dose (2nd dose after a 1 dose vaccine)	From the day of vaccination	To be determined by the WHO, currently no end of validity
Recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR

BUBBLE SYSTEM

Partial bubble: participants may exit their hotel for “work activities” i.e., run/ walk to training and/or competition venue, general exercising, running etc., not for tourist activities. Visiting the host city for sightseeing or shopping is still not allowed during a competition. Delegations are expected to control themselves to reduce the risk of infection.

MASK WEARING

Mask wearing is obligatory from the airport to the testing station while in transfer, otherwise optional. Subject to change according to local government regulations.

The IJF Medical Commission strongly recommend the wearing of masks in areas where social distancing is not possible, e.g., during air travel even if it is not required, in hotel lobby, etc.

COVID-19 DOCUMENTS

All pre-event COVID-19 documents must be uploaded to **my.ijf.org** before travelling. If assistance is required, please contact covid@ijf.org . PCR test documents are deleted fourteen (14) days after the event. National federations needing access to my.ijf.org, please, write to registration@ijf.org

EVENT PARTICIPATION

To participate in an IJF /PJC event each delegate is responsible to follow:

INSURANCE

It is the responsibility of the National Federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19-related costs, including repatriation. The LOC of the event and the IJF / PJC accept no liability for any claims relating to cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a National Federation delegation member during the event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions.
