EUROPEAN JUDO CHAMPIONSHIPS OF THE SMALL STATES LUXEMBOURG 2022

WORDS OF WELCOME

Dr. László TÓTH
President
European Judo Union

Dear Judo Family,

It is my heartfelt pleasure to welcome you in the first European Judo Championships of the Small States 2022 in Luxembourg. We all know how challenging is to find committed athletes, especially in countries with small population where many different sports compete for talents at the same time.

Thanks to the dedicated work of coaches, club managers and the management of national judo federations, our beloved sport, the judo has become very popular in small European countries and we are able to organize a European Championships especially for them.

Our two-day competition is also a milestone in the history of the European Judo Union and I truly believe that this event will allow us to create a tradition for the years to come which can inspire the current athletes to work and train even harder to get closer to their dreams and inspire the future generations to choose judo as their sport and their way of life.

I express my special thanks to the Grand Duchy of Luxembourg and the City of Luxembourg to host our event and welcome our professional and committed judokas and their delegations from the small countries.

I wish a great competition with excellent experiences on the tatamis and beyond, fair play and open heart to all of you!

Serge SCHAUL
President
Luxembourg Judo
Federation

Dear Judo friends,

Luxembourg has the great honour to organise the first European Judo Championships for the Small States. It is a great opportunity for the small countries to compete with each other, as we small federations often do not have a large number athletes who can fight at the highest level. We would like to thank our friends from the other small countries for the good cooperation and with their help are convinced that these European Championships will be a great success. Then I would like to thank the President of the EJU, Dr. László Tóth and the whole EJU team for making it possible for us to organise such an event.

We also hope that by working together with the other small countries, a certain dynamic will be created and we will be able to support each other. Together we will be stronger, especially as we, as small nations, often have the same needs and challenges. We are looking forward to all the athletes who will participate in Luxembourg and to see many good fights. I wish everyone good luck and success, and may the best one win. See you soon.

EUROPEAN JUDO CHAMPIONSHIPS OF THE SMALL STATES LUXEMBOURG 2022

1. Regulations to minimize COVID-19 related risks

Anyone not complying with the conditions of participation described in these outlines will not be eligible to take part in the event and will be subject to disciplinary action.

The fundamental principle throughout all EJU events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of “IJF COVID-19 Protocol”. All participants have the mutual responsibility to protect each other. For the IJF COVID-19 Protocol and any applicable amendments go to [covid.ijf.org](https://www.covid.ijf.org).

Vaccination

Vaccination is not a prerequisite to attend an EJU event, however all judo family members are strongly encouraged to get vaccinated to the highest possible level (e.g., booster dose) to contribute to the overall protection level of the judo family.

Pay attention to that host country vaccination criteria may differ from those of the IJF's, always check the local rules before travelling.

Even though vaccination is not required, gathering information on the vaccination level provides valuable data for the IJF/EJU Medical Commission on further softening or eventual withdrawal of the protocol. Therefore, collection of vaccination data is continued until further decision.

Protection levels:

	Type of protection	Minimum time elapsed	Maximum time elapsed
1st series of vaccination	1 dose (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
	2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
	Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
	1 dose and recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR
Additional series of vaccination*	Booster/revaccination dose(s)	From the day of vaccination	To be determined by the WHO, currently no end of validity
Recovery	Recovery from infection	Minimum 5 days from the positive PCR	Maximum 6 months from the positive PCR

The EJU/IJF accepts all vaccination types, not only EMA or WHO approved products.

Vaccination validity is subject to change according to WHO recommendations.

Minors (under 18) are considered fully vaccinated after completing the first series of vaccination with no end of validity until further decision.

Documents need to be uploaded to my.ijf.org for check and approval

Mask wearing

Mask wearing is obligatory from the airport to the testing station while in transfer, otherwise optional or as per the host country regulations. 17. JUDOGI CONTROL

Approved Judogi

All Judoka must compete in IJF Approved Judogi (only red label allowed). Judogis from all IJF suppliers are allowed (see www.ijf.org → Official Supplier List).

Judogi Control

It will be operated with a Sokuteiki prior to the fight. Each of the competition clothing articles (jacket, trousers and belt) must have the official IJF label, which will be controlled with an optical lamp (coloured belts do not have to have the IJF label). The jacket and the trousers must be of the same brand (belt can be of a different brand).

Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from www.mybacknumber.com or www.officialbacknumber.com (Attention: production and delivery may take around 4 weeks). The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

Markings and Advertising

The space on the shoulder stripes (25cm x 5 cm on both right and left side) and on the upper arms (10cm x 10cm on both right and left side) can be either used for own sponsors of the Federation or Judoka or EJU Suppliers, BUT not for any other Judogi supplier.

The space on the right chest (5cm x 10cm) can be used by federations and their Judoka for their own sponsors. The logo of a Judogi brand can only be used, if it corresponds with brand of the Judogi itself and if it is of an EJU Supplier.

Please note: On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the left chest (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed).

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules (see IJF SOR Appendix C).

Detailed information is available on <http://www.eju.net/statutes>.

EUROPEAN JUDO CHAMPIONSHIPS OF THE SMALL STATES LUXEMBOURG 2022

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.
