@MariusVizer

Dear friends, judoka, delegations,

Welcome to Tokyo, the home of judo.

With our last Japanese meeting being more than a year ago, with the Olympic and Paralympic Games of 2021 in the splendour of the Budokan, it is now time to reconvene. Thanks to our whole community we have almost come to the end of a full and successful year in which we have seen restrictions reduced, competitiveness increased and friendship remain as stable as ever.

The staging of the Tokyo Grand Slam is always a promise of the strongest Japanese team, with the desire to win on home ground. This attracts our biggest and brightest stars from the rest of the world and creates an environment in which the most skilled judo thrives. For judo fans in each continent it is always a great opportunity to see a great judo spectacle, but also for education.

The organisers are among the world's best, always creating the best conditions for the greatest judo and all with the maximum level of respect and professionalism. This is the correct way as we continue our preparations towards Paris 2024.

I wish all members of the judo family a safe and welcoming visit to our historical home and thank you for your warm, ongoing support.

Yours in judo.

## 03 - 04 December 2022

### Greetings

It is with honour and prestige to organize the Grand Slam Tokyo at the Tokyo Metropolitan Gymnasium. I would like to express our heartfelt welcome to the world Judo family and distinguished guests from the International Judo Federation.

This tournament will host the world's best Judoka including ones who achieved great success at the Tashkent World Championships. The qualification for the Paris Olympic Games have already begun. We can expect the heated competition from the best Judokas from all corners of the world.

Jigoro Kano Shihan, the founder of Judo, not only promoted Judo as a competitive sport, but also as a means of "human education" Through the practice of Judo, which starts and ends with a bow, he aimed to foster respectable individuals equipped with physical and mental strength as well as intelligence and character. In order to keep his aspiration alive, the All Japan Judo Federation has been promoting the Judo MIND Project, which pursues the key principles of Manners, Independence, Nobility and Dignity. We are working to spread these fundamental values of Judo throughout Japan and around the world.

I hope that all Judoka participating in this event fully demonstrate the results of their daily efforts. I expect you not to be arrogant after victory nor to be discouraged by defeat, but to have respect for your opponent and always have in heart the values of dignity and respect when on the tatami.

Moreover, I sincerely hope that all participants will nurture close friendships here in Japan, and that your stay in Tokyo will be a memorable one.

Last but not least, I would like to express my cordial gratitude towards all who contributed to the success of this prestigious event.

**Yasuhiro YAMASHITA**

### IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

**ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!**

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of “IJF COVID-19 Protocol”. All participants have the mutual responsibility to protect each other. For the **IJF COVID-19 Protocol** and any applicable amendments go to **covid.ijf.org**

**This is the FINAL IJF COVID-19 protocol for the event in line with the host country regulations  
Amendments are added in red.**

Everyone must take a Covid-19 PCR test and upload the negative result certificate to **my.ijf.org** for check and approval. An antigen test will not be accepted

#### **IF ARRIVING TO JAPAN AFTER 29 NOVEMBER:**

Take a PCR test within **72 hours** prior to departure for Japan and upload the result (negative certificate) to **my.ijf.org** before checking into an official hotel. The test must be “PCR”. An antigen test will not be accepted as a valid result.

The detailed information of the negative result certificate and a format in multiple languages are available in below URL. We recommend using this format but if not, please make sure the certificate includes all necessary items.

[https://www.mhlw.go.jp/stf/covid-19/border\\_test.html](https://www.mhlw.go.jp/stf/covid-19/border_test.html)

The cost is 20,000 JPY (per PCR test), to be charged to the media representative.

It is the responsibility of the participant to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19-related costs, including repatriation. #### **VACCINATION**

The applicable IJF regulations for vaccination/recovery reflect the pandemic hazard level of the IJF World Judo Tour events; **host country vaccination criteria may differ from those of the IJF, always check the local rules before travelling.**

# Tokyo Grand Slam, Japan

## 03 - 04 December 2022

For the full list of accepted vaccinations and all related information see below or go to [covid.ijf.org](https://covid.ijf.org)

### The Japanese government accepts only EMA approved vaccinations.

Vaccination is not a prerequisite to attend an IJF World Judo Tour (WJT) event, however all judo family members are strongly encouraged to get vaccinated to the highest possible level (e.g., booster dose) to contribute to the overall protection level of the judo family.

Vaccinated judo family members may benefit from their vaccination in the form of a softer testing protocol at an event. However, **anyone testing positive during an event are treated equally regardless of their vaccination status. Positive cases fall under the jurisdiction of the host country.**

All types of vaccines are accepted, not only EMA or WHO approved. Only a completed series (first series, additional series) of vaccination is accepted:

When the vaccination document expires during an event, it is accepted for the entire event if it is still valid on the day of the draw. At the discretion of the IJF additional testing may be introduced.

Minors (under 18) are considered fully vaccinated after completing the first series of vaccination with no end of validity until further decision:

Documents must be uploaded to [my.ijf.org](https://my.ijf.org) for check and approval.

### PROTECTION LEVELS

	Type of protection	Minimum time elapsed	Maximum time elapsed
<b>1st series of vaccination</b>	1 dose (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
	2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
	Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
	1 dose and recovery from infection	Minimum 11 days from the positive PCR	Maximum 6 months from the positive PCR
<b>Additional series of vaccination*</b>	Booster/revaccination dose(s)	From the day of vaccination	To be determined by the WHO, currently no end of validity
<b>Recovery</b>	Recovery from infection	Minimum 7 days from the positive PCR	Maximum 6 months from the positive PCR

### MASK WEARING

Mask wearing is obligatory from the airport to the testing station while in transfer, in crowded areas where sufficient distance (2 m) or adequate ventilation cannot be secured, as per the host country regulations. We recommend always having a mask with you in case it is necessary to wear one. The IJF Medical Commission
