a.2 The finalists of the Champions League 2022 are directly qualified in addition to the NF quota specified in section a.1:

Men:

1. Fighter Tbilisi (GEO)
2. Red Star Belgrade (SRB)

Women:

1. U.S. Orlean Loiret (FRA)
2. RSC Champigny (FRA)

The quota for the finalists is for the designated clubs only. If the club does not use it, the NF will keep the Specified quotas and not have additional one by direct qualification.

a.3 The clubs qualified and nominated are obliged to participate in the National Club Championships in the same year or the year before.

b. Athletes

Age

Athletes must be minimum 15 years (Born in 2008 and before)

General conditions and club membership

In order to participate in the **ECC 2023**, a judoka must be a registered member of the club during the current Season (2023) and at the Nominal Entry deadline **17th Nov. 2023**, according to the rules of the National Federation the club is representing.

The clubs participating in the ECC-Champions League are obliged to sign binding agreements with athletes to represent the club for calendar year 2023. The agreements (acknowledgement form provided by EJU) must be signed before entry deadline (17th November 2023). Clubs must be ready to present the signed agreements to EJU upon request.

Clubs are obliged to register all athletes in IJF Judobase (instructions for this procedure can be found in the outlines).

Once an athlete signs for a club he/she is bound for this particular club and cannot be transferred to another club in running calendar year.

An athlete who would sign for more than one club in particular year will be suspended from participation in Champions League in that year.

Foreign/domestic Judoka

There is maximum quota of 2 (two) foreign judoka in a team for each team contest. In case the team is represented in a team contest by total of 4 athletes or 3 athletes the quota is one (1) foreign judoka in a team.

Foreign judoka: A judoka registered in IJF Judobase under different nationality than the country the Club is representing in ECC-Champions League is defined as foreign judoka.

The IJF rules of changing nationality fully apply for European Club Championships.

In case of double (multiple) citizenship of an athlete the relevant nationality is based on the nationality the athletes hold in IJF WRL (Olympic Charter fully applies).

6. INSCRIPTION

Authorization/Nomination of qualified clubs (Form 1)

Deadline: Friday, 10th November 2023

The National Federation shall-nominate their participating clubs by filling in and sending Form 1 to EJU Head Office.

Further, the National Federation has to create the club(s) in JUDOBASE.

Nominal Inscription (JUDOBASE)

Deadline: Friday, 17th November 2023

All registered teams have to enter all delegates and athletes (both domestic and foreign judoka) in JUDOBASE. Nominal inscription is not limited to any quota or maximum number of athletes (both domestic and foreign judoka).

Since after this date only one injured athlete may be replaced, it's highly recommended to inscribe as many athletes as possible to have a sufficient number of athletes also in case of further injuries.

Foreign judoka has to be allocated to the respective club by their National Federation in order to enable the club to enter this athlete for **ECC-CL**.

The following example shows all actions to be taken to include an athlete from Cyprus in the team list of the club from Andorra.

- 1) National Federation of Andorra has to create the club in JUDOBASE.
- 2) The club from Andorra has to conclude the agreement provided by EJU with the athlete from Cyprus.
- 3) National Federation of Cyprus has to allocate the athlete to the club from Andorra in JUDOBASE.
- 4) The club from Andorra has to register the athlete from Cyprus for **ECC-CL**.

19. JUDOGI CONTROL

Approved Judogi

All Judoka must compete in IJF Approved Judogi (only red label allowed) and Judogis from all IJF suppliers are allowed (see www.ijf.org → Official Supplier List).

Judogi Control

It will be operated with a Sokuteiki prior to the fight. Judogi must have an IJF Official Label “APPROVED JUDOGE” with an optical code which cannot be falsified. The label will be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have an IJF official label.

Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the **official backnumber** (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from www.mybacknumber.com or www.officialbacknumber.com (Attention: production and delivery takes around 4 weeks).

The special back label (sticker) of the *ECC-EL 2021* will be given to the head of delegation during registration, and the athletes have to stick it themselves on the sewed backnumber (dry judogi!).

Markings and Advertising

The space on the *shoulder stripes* (25cm x 5 cm on both right and left side) and on the *upper arms* (10cm x 10cm on both right and left side) can be either used for **own sponsors of the Federation or Judoka or EJU Suppliers, BUT not for any other Judogi supplier.**

The space on the *right chest* (5cm x 10cm) can be used by the Judoka for his/her own sponsor. The logo of a Judogi brand can only be used, if it corresponds with the brand of the Judogi itself and if it is an **EJU Supplier**. Further, no logo of a competing brand of the advertising reserved for the Federation can be used (unless approval granted by the Federation).

Please note: On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the *left chest* (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed). In European Club Championships the club logo can be used instead of the national emblem.

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules.

Detailed information is available on <http://www.eju.net/statutes>.

Important:

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.

Further, the referee must be entered by his/her federation like every other delegate in **JUDOBASE** and also the hotel reservation has to be done by the national federation.

Direct Hansokumake

In case of direct Hansokumake against the spirit of judo the judoka cannot continue the competition. In some cases, depending on situation, the EJU jury may decide to give the athlete disciplinary sanction.

Note: A competitor who has been declared as a loser by injury can continue the competition.

21. ANTI-DOPING

Doping test will be performed according to IJF Antidoping Rules (IJF SOR). Two (2) tests for the male and two (2) tests for the female will be performed. One (1) member of the gold medal winning team and one (1) member of the other medal winning team; the choice of the weight categories is made by draw (four (4) tests in total). Every registered competitor of the team takes part to the draw lot. The Gold medal winner and another drawn medallist are tested. In the case of non-contestation of that weight category then the immediate superior weight category or immediate inferior of the same team will be tested.

22. COACHING
