ODIVELAS
World Judo Championships
Juniors 2023
PORTUGAL

@MariusVizer

Dear judoka, coaches and delegations,

It is my great pleasure to welcome you to Portugal on the occasion of the World Championships for Juniors.

I am proud of the high level the world's young elite have shown during this Olympic cycle. Their determination and will to succeed have been visible and it is thanks to that persistence and work ethic that we see so many athletes making successful transitions to the senior categories.

Odivelas is the perfect location in which to receive the world's best competitors, as it has been a key venue for the world's cadets and seniors in recent years, including the now unmissable grand prix each January. The organising team is knowledgeable, experienced and does everything possible to create the best conditions for performance and so it is here that we celebrate together the achievements of our juniors in the spirit of friendship and solidarity.

I wish all organisers, volunteers, competitors and teams a safe and happy visit to Portugal as we crown our new junior world champions.

Yours in judo,

Mr Marius L. VIZER
President
International Judo Federation

Dear international judo family,

It is a great honour to receive the World Championships for juniors in Odivelas!

The Portuguese Judo Federation is committed to making this world championships a reference, not only on an organisational level but also from a sport point of view.

We invite all of the judo family to come to Odivelas to enjoy a competition where the most talented young judoka in the world will put themselves forward, showing they are rising stars.

I would like to thank the Portuguese government and all our sponsors and partners for their support. We also extend our deepest gratitude and appreciation to International Judo Federation President Mr Marius Vizer for his continuous support and confidence in us, allocating the organisation of this event to the Portuguese Judo Federation.

On behalf of the Portuguese Judo Federation and myself, I wish all judoka and officials a successful tournament and a pleasant stay in Odivelas.

Pursuant to WADA ISTI Art. 5.4.4, prior to doping control, athletes can take part in the awarding ceremony and fulfil their press commitments or receive medical treatment if needed.

The selected competitors will be constantly accompanied by an official chaperone (appointed by the organising committee) from the time of notification until arriving at the doping control station. A person of the athletes' choice (team doctor, coach, trainer, delegation head etc.) may accompany them. IJF keep the right to test any participating athlete beyond the above selection during an event.

All additional tests are deemed in-competition tests. At its own discretion IJF may allow Testing Authorities to conduct out-of-competition tests as well.

15. GENERAL INFORMATION

INSURANCE

Each National Federation is directly responsible for its athletes (the control of non-pregnancy and the control of gender). It must assume all responsibility for accident and health insurance as well as civil liabilities during all IJF events for everyone under their charge.

The LOC of the event and the IJF will not be responsible in the absence of insurance.

The entity contractually bound to the IJF for the organisation of the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration. It is the responsibility of the National Federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any SARS CoV-2 (COVID-19) or its variants or communicable disease, related costs, including repatriation.

The LOC of the event and the IJF accept no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event nor any claims relating to the cancellation of the event or medical costs related to illness, due to SARS CoV-2 (COVID-19) or its variants or other communicable disease(s), that may affect a National Federation delegation member during the event.

CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING

Delegates inscribed by their National Federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and IJF.

It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

If a delegate does not give consent for use of data, photography, videos and filming then the National Federation must inform the International Judo Federation by writing to registration@ijf.org

ACCOMMODATION

The minimum reservation for a delegation is two (2) nights multiplied by the total number of people inscribed in judobase. The referee nominated by the IJF is not included in this calculation.

Example:

4 people inscribed in judobase (no referee) = 4×2 nights = 8 nights or more must be reserved

17 people inscribed in judobase (including 1 referee) = $(17-1) \times 2 = 32$ nights or more must be reserved

This rule does not apply to the host National Federation delegates.

COMPETITION RULES

System of competition: quarter-final (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories: Women: -48 kg, -52 kg, -57 kg, -63 kg, -70 kg, -78 kg, +78 kg
 Men: -60 kg, -66 kg, -73 kg, -81 kg, -90 kg, -100 kg, +100 kg

INSCRIPTION OF DELEGATES

Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her National Federation flag or under the IJF flag, according to the specificity of the case.

Participating athletes must be born between 2003-2008.

Athletes can be entered in ONLY one weight category per IJF World Ranking List (WRL) event. Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions. When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians "in loco parentis". This also applies to doping control. The National Federation must ensure that minor athletes have their parental/guardian permission to undergo testing.

Each National Federation may enter:

- Up to 9 entries for women with maximum 2 athletes per category.
- Up to 9 entries for men with maximum 2 athletes per category.

The host country may enter:

- Up to 14 entries for women with maximum 2 athletes per category.*
- Up to 14 entries for men with maximum 2 athletes per category.*

*Organisers of World Championships Juniors (especially cities and regions) could have additional Wild Cards for their local and regional athletes, not affecting quotas of the Federation. The number of athletes proposed by the LOC will be agreed by the IJF Head Sport Director. However, from the host country only the best results from 9 men and 9 women will be considered for the IJF Juniors WRL.

Non-competing athletes or training partners can be inscribed as judoka.

After the event deadline, changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

A team delegate must attend accreditation to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during accreditation.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

At World Championships it is necessary to verify the age and/or nationality of an athlete a member of the IJF Sport Commission or its representative will check the passport or national identity card (a high-quality photocopy or scan will also be accepted).

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation. The fee for additional team official(s) (who must be inscribed in judobase) is 100 USD per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 USD to be paid to the IJF.

DRAW AND SEEDING

Up to a maximum of the top eight athletes among the entered athletes in each weight category will be seeded based on their IJF WRL position. The draw will be held online: www.ijf.org

OFFICIAL JUDOGI

Athletes must compete wearing an IJF approved judogi (white and blue) from one of the following official suppliers can be found here: www.ijf.org/supplier-list. For further information on the judogi rules please refer to the IJF SOR (www.ijf.org/ijf/documents/24).

OFFICIAL IJF BACKNUMBER

Each competitor is obliged to have sewn on the back of his judogi a backnumber bearing their last (family) name and National Olympic Committee abbreviation. The last (family) name (and any part of their given (first) name) on the back number must have the same letters as that registered in judobase as this database provides the accreditation cards, athlete name on TV graphics and scoreboard etc.

The top of the backnumber must be fixed horizontally and centrally three (3) cm from the bottom of the collar.

The backnumber can only be ordered from www.officialbacknumber.com or www.mybacknumber.com

JUDOGI AND BACKNUMBER PRE-CONTROL

The IJF will arrange a judogi and backnumber pre-control starting two days before the first competition day, until the day before the last competition day. For this purpose, the competitors should wear their judogi with the belt tightened.

For the backnumber pre-control, athletes must bring both judogi (white and blue), for a control regarding any worn-out areas particularly on the collar and lapel, the colour, the IJF official label (obligatory), judogi brand (obligatory), national emblem, advertising, backnumber stitching, and any visible stains. Only if the judogi are compliant with the IJF rules will sponsor labels be given.

Athletes must show up for the backnumber pre-control. If they fail to do so, without a valid reason, the athlete will not be allowed to have a coach in the chair.

The backnumber and publicity should comply with the current IJF judogi regulations.

White judogi: IJF sponsor / Blue judogi: LOC sponsor

The official sponsor label of the event will be given provided that:

- The judogi are clean and dry.
- The backnumber, publicity and emblem are properly sewn and do not show any wear or tear.
- All previous advertising has been removed.

Guide to attaching and removing the sponsor label:

- Lay the judogi flat and attach the new sponsor label of the event on the back of the correct judogi.
- Ensure the label is firmly attached around the edges.
- Immediately after the competition and before washing remove the sponsor label.

SEWING SERVICE

The LOC will provide delegations with a sewing service. They have the right to charge for this service. The place, time and rate (if applicable) will be communicated to delegations on the event's official notice boards.

In case of non-respect of the place and persons providing this service to the delegations, the LOC, in agreement with the IJF, may refuse this service to those who were disrespectful.

JUDOGI CONTROL

Judogi control takes place on the day of the competition and will be done before each contest.

WEIGH-IN

The weigh-in will be carried out in accordance with the IJF **SOR**. The official weigh-in for athletes will be scheduled the day before the competition (see programme for times).

WORLD RANKING POINTS

An athlete is in the competition only once they pass the official weigh-in.

If an athlete passes the official weigh-in and is alone in the category he/she will get the participation ranking points, if applicable.

Any athlete who does not come to the tatami for a contest will have a line put through his/her name on the draw sheet. His/her opponent must come to the tatami and bow. He/she will be declared the winner by fusen-gachi and WRL points will be given.

COACHING

Coaches nominated by their National Federations should respect the IJF Code of Ethics and IJF **SOR**. Any coaches not adhering to these rules could be subject to disciplinary action.

AWARDING CEREMONY

Each athlete who has won a medal must be present at the ceremony to receive their medal personally. Any athlete who is absent from the awards ceremony without a good reason may forfeit the medal and prize money.

Athletes must attend the medal ceremony barefoot, without any hat, cap or any similar head covering and wearing their IJF approved white judogi that conforms to the IJF judogi rules with special attention being paid to the publicity rule. If it is not clean, then they must wear a reserve judogi.

It is strictly prohibited for athletes on the podium to have national flags or similar items other than those on their judogi. Any demonstration with religious, political, personal or commercial connotation is prohibited.

Athletes must also be available for interview after the last awarding ceremony if requested by the IJF Media Team.

Each team can consist of up to six (6) athletes (3 women and 3 men) and has the possibility to have up to six (6) reserves (3 women and 3 men).

To enter the mixed team competition the National Federation must have a full team. This means that on the delegation control list during accreditation there must be athletes able to compete in all six (6) categories. A total of 12 athletes can be inscribed with a maximum of two (2) athletes per category.

If there are injuries or illness after the draw or during the competition a team can compete with a minimum of four (4) athletes.

During the contests, the non-competing athletes must stay within a marked area on the field of play behind

the coaches' chair. Reserve athletes must not enter the field of play.

Two (2) coaches and one (1) doctor per team will be allowed to enter the Field of Play. Athletes should enter the Field of Play in the order that they will compete in.

A draw will be made for the starting category for the first round. The following rounds will start with the next category in the sequence.

Example: Junior Mixed Teams - drawn category is -73 kg

- 1st round: -73, -70, -90, +70, +90, -57 kg

Before each match the team leader must select the athletes for each contest. From the maximum of two (2) athletes inscribed in each category he can select one. If the team has the possibility to put an inscribed athlete in a category, he must do so. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete.

If the team has no athlete in a category, they should select the "no competitor" option.

If the wrong athlete goes to the tatami for a contest that is not his own he will be disqualified, and the opponent he was initially supposed to meet will win by fusen gachi.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from competition management. Once it is returned to competition management it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time).

After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If blue team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

It is compulsory that all athletes listed for the match compete until the team reaches the winning result. If an athlete refuses to compete the team will be disqualified.

If one team does not arrive for a match, the other team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable).

If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards.

	Draw for golden score contest scenario	Action
1	Both teams have "no competitor" in the same category	Category is removed from the draw
2	One team has "no competitor" or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make cannot continue in competition etc.)	Category remains in the draw and the win is given directly to the other team
3	In the regular contest both athletes given an indirect hansoku-make (3 shido) or a direct hansoku-make (can continue in competition)	Category remains in the draw
4	In the regular contest both athletes given a direct hansoku-make (cannot continue in competition)	Category is removed from the draw

If there is a double hansoku-make during the golden score contest the following rules will be respected:

	Scenario	Action
1	Both athletes given an indirect hansoku-make (3 shido) in the golden score contest	Category is included in a new draw for another golden score contest
2	Both athletes given a direct hansoku-make (can continue in competition) in the in the golden score contest	Category is included in a new draw for another golden score contest
3	Both athletes given a direct hansoku-make (cannot continue in competition) in the golden score contest	Category is removed and there is a new draw for another golden score contest

The draw is carried out in accordance with the IJF Anti-doping Rules and the IJF **SOR** during the competition before the start of the final block on the first competition day.
