#JudoWorlds

(Version 21 August 2024)

@MariusVizer

Dear judoka, coaches and delegations,

It is my great pleasure to welcome you to Tajikistan on the occasion of the World Championships for Juniors.

I am proud of the consistent high level the world's young elite have been reaching, rising again even since last year's flagship event, in Odivelas. Their determination and will to succeed have been visible and it is thanks to that persistence and work ethic that we saw so many young athletes making successful transitions to the senior categories, some even qualifying to compete at the Olympic Games in Paris.

Now we are in a new cycle and Dushanbe is an exciting location in which to meet the world's best junior competitors, since becoming one of the most eagerly awaited World Judo Tour settings in our calendar. Our juniors will learn a lot in Tajikistan and will also enjoy the energy and enthusiasm present. The organising team is gaining valuable experience year on year and does everything possible to create the best conditions for performance. So, it is here that we celebrate together the achievements of our juniors in the spirit of friendship and solidarity.

I wish all organisers, volunteers, competitors and teams a safe and happy visit to Dushanbe as we crown our new junior world champions.

Yours in judo,

Marius L. VIZER
President
International Judo Federation

Dear judo family, dear judoka,

It is with great pleasure that I welcome you once again to Dushanbe, Tajikistan.

On behalf of the Tajikistan Judo Federation, I am both thrilled and honoured to announce that, with the invaluable support of International Judo Federation President Mr Marius Vizer, after successfully elevation of the Dushanbe Grand Prix to a Grand Slam this year, we are immensely proud and excited to host the Dushanbe World Championships Juniors 2024 for the first time in history, marking a significant milestone, especially in this new Olympic cycle.

Our deepest gratitude goes to the Mayor of Dushanbe, Mr Rustami Emomali, and to the Honourable President of Tajikistan, His Highness Emomali Rahmon, for their unwavering support and dedication to the development of sports.

The Dushanbe World Championships Juniors 2024 will feature the best young judokas from around the globe, competing in a state-of-the-art venue equipped with the latest facilities to ensure top-notch performance and safety. This event will not only showcase the future stars of judo but also promote cultural exchange and unity among nations.

We have planned a series of exciting activities alongside the competition, including cultural tours, workshops, and social events, allowing participants and visitors to immerse themselves in the rich heritage and traditions of Tajikistan. Our aim is to create an unforgettable experience for everyone involved.

I warmly invite every member of our global judo community to join us in our capital to experience this remarkable event and the renowned hospitality of our people.

We are committed to providing you with the warmest traditional Tajik hospitality and the best possible conditions for competition in our homeland.

15. GENERAL INFORMATION

INSURANCE

Each national federation is directly responsible for its athletes (including the control of non-pregnancy and the control of gender). It must assume all responsibility for accident, health and civil liability insurance under their charge during events.

The LOC of the event and the IJF will not be responsible in the absence of insurance.

National federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. The LOC of the event and the IJF will not be responsible in the absence of insurance.

The entity contractually bound to the IJF for the organisation of the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration.

It is the responsibility of the national federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any SARS CoV-2 (COVID-19) or its variants or communicable disease, related costs, including repatriation.

The LOC of the event and the IJF accept no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event nor any claims relating to the cancellation of the event or medical costs related to illness, due to SARS CoV-2 (COVID-19) or its variants or other communicable disease(s), that may affect a national federation delegation member during the event.

CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING

Delegates inscribed by their national federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from national federations and IJF. It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The national federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

If a delegate does not give consent for use of data, photography, videos and filming then the national federation must inform the IJF by writing to registration@ijf.org

ACCOMMODATION

The minimum reservation for a delegation is two (2) nights multiplied by the total number of people inscribed in **judobase**. The referee nominated by the IJF is not included in this calculation.

The national federation President and the referee nominated by the IJF are not included in this calculation.

Example:

4 people inscribed in **judobase** (no referee) = 4 x 2 nights = 8 nights or more must be reserved

17 people inscribed in **judobase** (including 1 referee) = (17-1) x 2 = 32 nights or more must be reserved

The hotel prices are not guaranteed after the reservation deadline and delegations requesting accommodation late may be subject to a price increase.

This rule does not apply to the host national federation delegates.

COMPETITION RULES

System of competition: quarter-final (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories: Women: -48 kg, -52 kg, -57 kg, -63 kg, -70 kg, -78 kg, +78 kg

Men: -60 kg, -66 kg, -73 kg, -81 kg, -90 kg, -100 kg, +100 kg

INSCRIPTION OF DELEGATES

Only entries of member national judo federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her national federation flag or under the IJF flag, according to the specificity of the case.

Participating athletes must be born between 2004-2009.

Athletes can be entered in ONLY one weight category per IJF World Ranking List (WRL) event. Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The national federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions.

When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians “in loco parentis”.

This also applies to doping control. The national federation must ensure that minor athletes have their parental/guardian permission to undergo testing.

Each National Federation may enter:

- Up to 9 entries for women with maximum 2 athletes per category.
- Up to 9 entries for men with maximum 2 athletes per category.

The host country may enter:

- Up to 14 entries for women with maximum 2 athletes per category.*
- Up to 14 entries for men with maximum 2 athletes per category.*

*Organisers of World Championships Juniors (especially cities and regions) could have additional Wild Cards for their local and regional athletes, not affecting quotas of the Federation. The number of athletes proposed by the LOC will be agreed by the IJF Head Sport Director. However, from the host country only the best results from 9 men and 9 women will be considered for the IJF Juniors WRL.

Non-competing athletes or training partners can be inscribed as judoka.

After the event deadline, changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another qualified athlete (1-100 IJF Seniors WRL and 1-16 IJF Juniors WRL) regardless of gender or weight category. An ill team official can be replaced by another team official etc.

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

A team delegate must attend accreditation to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during accreditation.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for national federation President, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in **judobase**) is 100 USD per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 USD to be paid to the IJF.

DRAW AND SEEDING

Up to a maximum of the top eight athletes among the entered athletes in each weight category will be seeded based on their IJF WRL position. The draw will be held online: www.ijf.org

OFFICIAL JUDO GI

Athletes must compete wearing an IJF approved judogi (white and blue) from one of the following official suppliers can be found here: www.ijf.org/supplier-list. For further information on the judogi rules please refer to the IJF **SOR** (www.ijf.org/ijf/documents/24).

OFFICIAL IJF BACKNUMBER

Each competitor is obliged to have sewn on the back of his judogi a backnumber bearing their last (family) name and National Olympic Committee abbreviation. The last (family) name (and any part of their given (first) name) on the back number must have the same letters as that registered in **judobase** as this database provides the accreditation cards, athlete name on TV graphics and scoreboard etc. The top of the backnumber must be fixed horizontally and centrally three (3) cm from the bottom of the collar.

The backnumber can only be ordered from www.officialbacknumber.com or www.mybacknumber.com

In case of non-respect of the place and persons providing this service to the delegations, the LOC, in agreement with the IJF, may refuse this service to those who were disrespectful.

Each team can consist of up to six (6) athletes (3 women and 3 men) and has the possibility to have up to six (6) reserves (3 women and 3 men).

To enter the mixed team competition the National Federation must have a full team. This means that on the delegation control list during accreditation there must be athletes able to compete in all six (6) categories. A total of 12 athletes can be inscribed with a maximum of two (2) athletes per category.

If there are injuries or illness after the draw or during the competition a team can compete with a minimum of four (4) athletes.

If the event follows an individual competition the team list can be updated before the start of the official weigh-in. In addition, up to one (1) hour after the end of the final block the team category for the athletes competing on the last day of the individual competition can be updated.

During the contests, the non-competing athletes must stay within a marked area on the field of play behind the coaches' chair. Reserve athletes must not enter the field of play.

Two (2) coaches and one (1) doctor per team will be allowed to enter the field of play. Athletes should enter the field of play in the order that they will compete in.

A draw will be made for the starting category for the first round. The following rounds will start with the next category in the sequence.

Example: Juniors Mixed Teams - drawn category is -73 kg

- 1st round: -73, -70, -90, +70, +90, -57 kg;
- 2nd round: -70, -90, +70, +90, -57, -73 kg;

Before each match the team leader must select the athletes for each contest. From the maximum of two (2) athletes inscribed in each category he can select one. If the team has the possibility to put an inscribed athlete in a category, he must do so. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete.

If the team has no athlete in a category, they should select the "no competitor" option.

If the wrong athlete goes to the tatami for a contest that is not his own he will be disqualified, and the opponent he was initially supposed to meet will win by fusen gachi.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from the IJF Sport Commission. Once it is returned to the IJF Sport Commission it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time).

After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If one team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

If during the match, in one contest, an athlete enters the tatami and refuses to compete, he will be given a direct hansoku-make (cannot continue in competition) and the opponent will be declared the winner.

The losing athlete cannot continue in the next rounds. The team of the losing athlete can continue in the next round if applicable.

If one team does not arrive for a match, the other team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable).

If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards. If the public scoreboard is not available the coaches or the teams should be invited to watch the computer monitor when the draw is taking place.

	Draw for golden score contest scenario	Action
1	Both teams have "no competitor" in the same category	Category is removed from the draw
2	One team has "no competitor" or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make cannot continue in competition etc.)	Category remains in the draw and the win is given directly to the other team
3	In the regular contest both athletes given an indirect hansoku-make (3 shido) or a direct hansoku-make (can continue in competition)	Category remains in the draw
4	In the regular contest both athletes given a direct hansoku-make (cannot continue in competition)	Category is removed from the draw

3	Both athletes given a direct hansoku-make (cannot continue in competition) in the golden score contest	Category is removed and there is a new draw for another golden score contest
