#JudoCadets
(Version 14 August 2024)

@MariusVizer

Dear judoka, coaches and delegations,

It is my great pleasure to welcome you to Lima on the occasion of the World Championships for Cadets 2024.

Peru is ready to receive the world's best young competitors, as an energetic, Pan American hub for the meeting of cultures, sports and travellers. It is here in Lima that we celebrate the achievements of our cadets together, in the spirit of true friendship and respect.

Lima, with its colonial architecture and a city centre listed proudly as a UNESCO World Heritage Site, has something for everyone, from history to gastronomy, from stunning sea views to a tapestry of mixed traditions.

The Peruvian organisation team is experienced, especially noting that the last event of the 2024 Olympic qualification period was given to Peru's judo federation, following their successful organisation of the 2022 Pan America-Oceania Championships, among other notable events. This means that our brightest young judo stars are in the safest of hands.

The global cadet tour has seen some phenomenal judo on all continents through the year and it culminates in this flagship event, a world championships to reward those already developing technical, tactical and mental skills which set them apart.

I wish all organisers, volunteers and delegations an inspiring and memorable visit to Lima as we join together to applaud our new cadet world champions.

Mr Marius L. VIZER
President
International Judo Federation

@judomaria

Dear judoka, coaches, delegations, and family,

On behalf of the Peruvian Judo Federation, I am delighted to invite you to take part in the Cadet World Championships in individual and mixed team modalities.

It is our honour to host this prestigious event in the International Judo Federation circuit, which is of great importance for young athletes aged 15 to 17 worldwide.

The championship will be held in Lima from August 28 to September 1, 2024. As hosts, we are working tirelessly to ensure that everyone has a pleasant stay with us.

We would like to express our gratitude to the Pan American Judo Confederation and the International Judo Federation for their support and trust in organizing this event in Lima.

We wish all participants good health and high spirits! Welcome to Peru!

Mrs Maria MARTINEZ
President
Peruvian Judo Federation

The entity contractually bound to the IJF for the organisation of the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration.

It is the responsibility of the national federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any SARS CoV-2 (COVID-19) or its variants or communicable disease, related costs, including repatriation.

The LOC of the event and the IJF accept no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event nor any claims relating to the cancellation of the event or medical costs related to illness, due to SARS CoV-2 (COVID-19) or its variants or other communicable disease(s), that may affect a national federation delegation member during the event.

The hotel prices are not guaranteed after the reservation deadline and delegations requesting accommodation late may be subject to a price increase.

- Up to 10 entries for men with maximum 2 athletes per category.

The host country may enter:

- Up to 16 entries for women with maximum 2 athletes per category.*
- Up to 16 entries for men with maximum 2 athletes per category.*

Organisers of World Championships Cadets (especially cities and regions) could have additional Wild Cards for their local and regional athletes, not affecting quotas of the federation. The number of athletes proposed by the LOC will be agreed by the IJF Head Sport Director.

However, from the host country only the best results from 10 men and 10 women will be considered for the IJF Cadets WRL.

Non-competing athletes or training partners can be inscribed as judoka.

After the event deadline, changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

A team delegate must attend accreditation to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during accreditation.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for national federation President, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in **judobase**) is 100 USD per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 USD to be paid to the IJF.

6. MIXED TEAMS REGULATIONS

Each team can consist of up to six (6) athletes (3 women and 3 men) and has the possibility to have up to six (6) reserves (3 women and 3 men).

To enter the mixed team competition the national federation must have a full team. This means that on the delegation control list during accreditation there must be athletes able to compete in all six (6) categories. A total of 12 athletes can be inscribed with a maximum of two (2) athletes per category.

If there are injuries or illness after the draw or during the competition a team can compete with a minimum of four (4) athletes.

If the event follows an individual competition the team list can be updated before the start of the official weigh-in. In addition, up to one (1) hour after the end of the final block the team category for the athletes competing on the last day of the individual competition can be updated.

During the contests, the non-competing athletes must stay within a marked area on the field of play behind the coaches' chair. Reserve athletes must not enter the field of play.

Two (2) coaches and one (1) doctor per team will be allowed to enter the Field of Play. Athletes should enter the Field of Play in the order that they will compete in.

A draw will be made for the starting category for the first round. The following rounds will start with the next category in the sequence.

Example: Cadets Mixed Teams - drawn category is -60 kg

- 1st round: -60, -63, -81, +63, +81, -48 kg
- 2nd round: -63, -81, +63, +81, -48, -60 kg
- Quarter-final: -81, +63, +81, -48, -60, -63 kg
- Repechage and semi-final: +63, +81, -48, -60, -63, -81 kg
- Bronze and final: +81, -48, -60, -63, -81, +63 kg

Before each match the team leader must select the athletes for each contest. From the maximum of two (2) athletes inscribed in each category he can select one. If the team has the possibility to put an inscribed athlete in a category, he must do so. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete.

If the team has no athlete in a category, they **must** select the "no competitor" option.

If the wrong athlete goes to the tatami for a contest that is not his own he will be disqualified, and the opponent he was initially supposed to meet will win by fusen gachi.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from IJF Sport Commission. Once it is returned to IJF Sport Commission it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time).

After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If blue team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

If during the match, in one contest, an athlete enters the tatami and refuses to compete, he will be given a direct hansoku-make (cannot continue in competition) and the opponent will be declared the winner.

The losing athlete cannot continue in the next rounds. The team of the losing athlete can continue in the next round if applicable.

If one team does not arrive for a match, the other team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable).

If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards. **If the public scoreboard is not available the coaches or the teams should be invited to watch the computer monitor when the draw is taking place.**

	Draw for golden score contest scenario	Action
1	Both teams have “no competitor” in the same category	Category is removed from the draw
2	One team has “no competitor” or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make cannot continue in competition etc.)	Category remains in the draw and the win is given directly to the other team
3	In the regular contest both athletes given an indirect hansoku-make (3 shido) or a direct hansoku-make (can continue in competition)	Category remains in the draw
4	In the regular contest both athletes given a direct hansoku-make (cannot continue in competition)	Category is removed from the draw

If there is a double hansoku-make during the golden score contest the following rules will be respected:

	Scenario	Action
1	Both athletes given an indirect hansoku-make (3 shido) in the golden score contest	Category is included in a new draw for another golden score contest
2	Both athletes given a direct hansoku-make (can continue in competition) in the in the golden score contest	Category is included in a new draw for another golden score contest
3	Both athletes given a direct hansoku-make (cannot continue in competition) in the golden score contest	Category is removed and there is a new draw for another golden score contest

The IJF Ad Hoc Commission will decide the consequences in any situation that may result in a whole team being disqualified.

7. MIXED TEAMS MEDALS AND PRIZE MONEY (20,000 euro)

First place - Gold medals and 8,000 US Dollars (judoka: 6,400 US Dollars and coach 1,600 US Dollars)

Second place - Silver medal and 5,600 US Dollars (judoka: 4,480 US Dollars and coach 1,120 US Dollars)

8. MIXED TEAMS DOPING CONTROL

At the mixed teams event doping control will include:

One (1) member of the gold medal winning team and one (1) member of the other medal winning teams; the choice of the weight categories is made by a draw (2 tests in total). In the case of non-contestation of the selected weight category the immediate superior or immediate inferior weight category of the same team will be tested.

The draw is carried out in accordance with the IJF Anti-doping Rules and the IJF **SOR** during the competition before the start of the final block on the first competition day.

Competitors must report to the doping control station immediately after signing the notification form. Pursuant to WADA ISTI Art. 5.4.4, prior to doping control, athletes can take part in the awarding ceremony and fulfil their press commitments or receive medical treatment if needed.

The selected competitors will be constantly accompanied by an official chaperone (appointed by the organising committee) from the time of notification until arriving at the doping control station.

A person of the athletes' choice (team doctor, coach, trainer, delegation head etc.) may accompany them. IJF keep the right to test any participating athlete beyond the above selection during an event. All additional tests are deemed in-competition tests.
