World Senior Championships 2025 Hungary 13 - 20 June 2025

@MariusVizer

Dear judo family,

I welcome you back to the bustling city of Budapest and to the World Senior Championships 2025, Hungary. This is a city accustomed to the challenges of staging such an event as the 2017 and 2021 editions were also here and each was a remarkable success. In 2025, we will continue this momentum and bring the judo world a spectacular championship.

Our Hungarian colleagues have again raised their hands to offer the excellent support we have become used to, applauded by a country of judo fans who have cheered tirelessly for the best of the world's judoka at every grand slam, Masters and world championships held in this beautiful capital city.

The Hungarian government continues to support the sport of judo, delivering world class sport and world class hospitality. With consistent high standards of organisation, every coach, volunteer, athlete and referee can focus on producing their very best work in a perfect environment. So, this promises to be a spectacular display of the finest judo and a showcase for the will and determination of our athletes as they work hard to step on to the first world level podium of this new Olympic cycle.

I, the Hungarian organisers and the International Judo Federation thank all sponsors and media partners for their diligence and positivity. I also thank all volunteers for their care and professionalism. Welcome to Budapest!

Yours in judo,

Mr Marius L. VIZER
President

We are honoured by the belief in our ability to host such a prestigious event once again. We are also profoundly thankful to the government of Hungary for their invaluable contribution to making this event a reality.

I express my best wishes to all the athletes, organisers, volunteers, sponsors and supporters who have made this event possible. Let us celebrate this remarkable occasion together, united by the values that make judo a global force for respect, friendship and excellence.

After confirmation, the list can be updated up to one (1) hour after the end of the final block only for the athletes competing on the last day of the individual competition can be updated.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

If during the match, in one contest, an athlete enters the tatami and refuses to compete, he will be given a direct hansoku-make (cannot continue in competition) and the opponent will be declared the winner.

The losing athlete cannot continue in the next rounds. The team of the losing athlete can continue in the next round if applicable.

If one team does not arrive for a match, the other team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable).

If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards. If the public scoreboard is not available the coaches or the teams should be invited to watch the computer monitor when the draw is taking place.

	Draw for golden score contest scenario	Action
1	Both teams have "no competitor" in the same category	Category is removed from the draw
