PARIS WORLD JUDO CHAMPIONSHIPS

KATA 2025

● **FRANCE** ●

8 - 9 NOVEMBER 2025

(Version 28 May 2025)

@MariusVizer

Dear national federations, dear friends,

We welcome you to Paris, a capital city like no other. This is a destination which will give our kata specialists the experience of a lifetime, competing in the national dojo in the midst of an impressive judo heritage. France has a strong foundation, deeply rooted traditions and an unmistakable passion for judo; we are looking forward to sharing this very special global event with you.

In France we are promised first class hospitality amid a bustling city that boasts both state-of-the-art technology and a unique history, boasting some of the world's most recognisable architecture, tourist hotspots and gastronomic delights. Of course, it was also the home of the most recent Olympic Games and that fervour can still be felt around Paris. Now this incredible city extends arms of friendship to our kata practitioners and their coaches.

Our judo family enjoyed an outstanding stay in Las Vegas in 2024 for the pinnacle kata event of the year, but now moves back to Europe thanks to the collaborative efforts of the local organisers and the IJF Kata Commission. The 2025 edition of the IJF World Kata Championships promises to celebrate lives dedicated to judo and be an event to last long in the memory for all those arriving in Paris.

I wish all our delegations, friends and the wider judo family a healthy and successful event, filled with excellence. Paris welcomes you!

Yours in judo,

Marius L. VIZER
President
International Judo Federation

Dear Judo Friends,

On behalf of the French Judo Federation, I am very pleased to welcome you to France for the Paris World Championships Kata 2025.

Kata is the very essence of our martial art, it's a universal language through which we express technique, discipline, and harmony. This event is a unique opportunity to bring together practitioners from all over the world, from diverse backgrounds, united by the richness of this remarkable discipline.

Hosting this championship is a great honor for our country. We are fully committed to offering delegations, judges, officials, and spectators an unforgettable experience, worthy of the beauty and precision of kata.

My heartfelt thanks to the International Judo Federation and its President, Marius Vizer, for their trust. I would also like to thank the organizing teams, volunteers, and everyone who makes this competition possible.

I hope that every one of you will enjoy these emotional moments of judo, in the respect and spirit of the moral code that unites us all.

With my sport regards,

Stéphane NOMIS
President
France Judo

Dear Presidents of national federations,

Seventeen years after the experimental Kata World Cup organised in Paris (2008), the French Judo Federation is once again organising a world judo event and we would like to thank them for doing so.

Jigoro Kano Shian wanted to make judo an educational tool at the service of society.

This tool involves practising the discipline in a spirit of mutual progress with one's partner, and kata is an essential part of this, enabling the understanding of the gesture in harmony with one's 'Uke'.

During these championships, you will be able to witness the original expression of the principle of each of the techniques and the spirit of judo in seven kata in a harmonious ballet.

No useless gestures, efficiency in all its power, optimal use of energy in a spirit of mutual help and prosperity.

Kata is a sporting expression, a spectacle, a useful teaching tool for beginners, leisure practitioners and competitors alike.

We're looking forward to seeing you at the Dojo de Paris on 8 and 9 November to witness the demonstrations of champions from five continents, which we're sure will be of the highest quality and will inspire new aspirations.

Developing kata means promoting judo and its educational aspect with the aim of helping to improve society.

Jean-Luc ROUGÉ
Chair
IJF Kata Commission
