VETERANS 2025**

● **FRANCE** ●

3 - 7 NOVEMBER 2025

(Version 01 July 2025)

@MariusVizer

Dear national federations, dear friends,

We welcome you to Paris, a capital city like no other. This is a destination which will give our veteran judoka the experience of a lifetime, competing in the national dojo in the midst of an impressive judo heritage. France has a strong foundation, deeply rooted traditions and an unmistakable passion for judo; we are looking forward to sharing this very special global event with you.

In France we are promised first class hospitality amid a bustling city that boasts both state-of-the-art technology and a unique history, boasting some of the world's most recognisable architecture, tourist hotspots and gastronomic delights. Of course, it was also the home of the most recent Olympic Games and that fervour can still be felt around Paris. Now this incredible city extends arms of friendship to our veterans and their coaches.

Our judo family enjoyed an outstanding stay in Las Vegas in 2024 for the pinnacle veteran event of the year, but now moves back to Europe thanks to the collaborative efforts of the local organisers and the IJF Veterans Commission. The 2025 edition of the IJF World Veteran Championships promises to celebrate lives dedicated to judo and be an event to last long in the memory for all those arriving in Paris.

I wish all our delegations, friends and the wider judo family a healthy and successful event, filled with excellence. France welcomes you!

Yours in judo,

Marius L. VIZER
President
International Judo Federation

Dear Judo Friends,

It is with great pride that I welcome you to France for the Paris World Championships Veteran 2025.

Our country is honored to host this major event representing a celebration of judo, an expression of passion, commitment, and the spirit of transmission. Veteran judokas strongly embody the core values of our discipline: respect, courage, and perseverance.

Through their journeys, they demonstrate a lasting dedication that carries the values of judo far beyond the tatami. Their presence inspires younger generations and reminds us all that judo is a lifelong path of learning and personal growth.

I would like to extend my heartfelt thanks to the International Judo Federation, its President Marius Vizer, and all those involved in organizing this remarkable event. I wish all participants a beautiful competition, marked by determination, fair play, and camaraderie.

Welcome home, welcome to France.

Amicalement,

Stéphane NOMIS
President
France Judo

Dear Judo Family,

The IJF World Championships for Veterans 2024 in Las Vegas, USA have been a great success, with more than 1100 participants from all over the world.

This year the Judo Veterans Family returns one more time to Europe. After the historic Olympic Games 2024 in Paris and the outstanding Paris Grand Slam 2025 we will celebrate another great Judo Festival in France's fantastic capital city. It is supposed to be a highlight in the history of the International Judo Federation's Veterans.

I want to thank Mr. President Marius L. Vizer of the IJF and France's FFJ President Stéphane Nomis, as well as their Executive Committees and everybody else involved for the fantastic support of the event – merci beaucoup!

On behalf of the IJF Veterans Commission I want to welcome the Veterans in Paris – to celebrate great sport, to live the judo values and have a lot of fun with old and new friends.

Judo is a lifelong experience and we can be happy and thankful to step on the tatami in such an excellent surrounding.

For the first time we plan with five days of competition – and I am curious: Will we have the largest numbers of judoka in the competition ever, heading new records?

I am looking forward to the event and to meeting you again.

Be part of it - HAJIME and bonne chance!

Kind regards,

Denis WEISSER
Chair
IJF Veterans Commission

To facilitate the best possible application of the category combining policy it will be used when a category has a small number of entries, and all the female categories will be held on the same day.

A technical official from the IJF will delegate responsibility to a suitable individual, representing the host organisation, who will be responsible for operating the category combining policy. This policy applies to all weight categories within all age divisions.

Category combining may only be applied to categories where there are less than three entrants. If category combining cannot be achieved safely and according to the guidelines, then a pool of two (2) elimination system may be considered. The best of three contests between the two (2) athletes, if the result is 2-0 then the third contest will not be fought.

- Combining within the same age division – athletes should remain within their age division if possible.
- Combining using weight categories – athletes should only be combined with other athletes who are no more than one weight category lighter or one weight category heavier.

Special consideration should be given to the actual weight differences when dealing with the lightest and the heaviest female and male categories (as a guideline a maximum of 10 kg actual difference when combining the lightest weight category and a maximum of 20 kg actual difference when combining the heaviest weight category should be considered as a limit unless there are other compensatory factors such as experience etc.). Weight should be the primary consideration when moving athletes about within their own age division or combining them with other age divisions in accordance with the guidelines below.

AGE DIVISIONS:

- Athletes in age divisions M7 or F7 and above (M8/F8 and M9/F9) may only be combined with other athletes who are no more than one age division higher or more than one age division lower i.e., athletes in M7/F7 may only be combined with athletes from M6/F6 or M8/F8.
