Lima World Championships Juniors, Peru Individuals and Mixed Teams 05 - 08 October 2025

@MariusVizer

Dear judoka, coaches and delegations,

It is my great pleasure to welcome you to Peru on the occasion of the World Championships for Juniors.

I am proud of the incredibly high level the world's young elite have been working so hard to reach. Their determination and skill have been visible to all and it is thanks to that persistence and work ethic that we see so many young athletes making successful transitions to the senior categories, some even placing at the recent OTP Bank World Senior Championships Hungary.

Now we offer our juniors a platform on which to test themselves, a championship that will show the judo family who is already aiming at the summit of world sport, looking ahead to Los Angeles. The Olympic Games is only three years away and many of today's juniors will earn their ticket there.

Pan-America will host the next Olympics and so Pan-America is stepping up, yet again, striving to deliver world-class events in readiness for the years ahead. Lima is an exciting location in which to meet the world's best junior competitors, a place of great tradition, of cultural fusion and creativity.

The organising team is gaining valuable experience year on year and does everything possible to create the best conditions for performance. So, it is in Lima that we will celebrate together applauding the achievements of our juniors in the spirit of friendship.

I wish all organisers, volunteers, competitors and teams a successful and memorable visit to Lima as we crown our new junior world champions.
Yours in judo,

Mr Marius L. VIZER
President
International Judo Federation

Lima World Championships Juniors, Peru Individuals and Mixed Teams 05 - 08 October 2025

The national federation President and the referee nominated by the IJF are not included in this calculation.

Example:

4 people inscribed in **Judobase** (no referee) = 4×2 nights = 8 nights or more must be reserved

17 people inscribed in **Judobase** (including 1 referee) = $(17-1) \times 2 = 32$ nights or more must be reserved

The hotel prices are not guaranteed after the reservation deadline and delegations requesting accommodation late may be subject to a price increase.

This rule does not apply to the host national federation delegates.

COMPETITION RULES

If injuries or illness occur after the draw or during the competition a mixed team will be allowed to compete with a minimum of four (4) athletes.

If the event follows an individual competition, the composition of the mixed team must be confirmed by the delegation to the IJF Sport Commission by 13:00 local time on the day prior to the mixed team competition. After confirmation, the list can be updated up to one (1) hour after the end of the final block only for the athletes competing on the last day of the individual competition can be updated.

After the draw of the mixed team event, a further draw will decide the starting category for the first round. The following rounds will start with the next category in the sequence.

05 - 08 October 2025

Duration of each contest: women four (4) minutes and men four (4) minutes (real time).
After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If one team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

If during the match, in one contest, an athlete enters the tatami and refuses to compete, he will be given a direct hansoku-make (cannot continue in competition) and the opponent will be declared the winner.

The losing athlete cannot continue in the next rounds. The team of the losing athlete can continue in the next round if applicable.

If one team does not arrive for a match, the other team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable).

If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards. If the public scoreboard is not available the coaches or the teams should be invited to watch the computer monitor when the draw is taking place.

	Draw for golden score contest scenario	Action
1	Both teams have "no competitor" in the same category	Category is removed from the draw
2	One team has "no competitor" or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make cannot continue in competition etc.)	Category remains in the draw and the win is given directly to the other team
3	In the regular contest both athletes given an indirect hansoku-make (3 shido) or a direct hansoku-make (can continue in competition)	Category remains in the draw
4	In the regular contest both athletes given a direct hansoku-make (cannot continue in competition)	Category is removed from the draw

3	Both athletes given a direct hansoku-make (cannot continue in competition) in the golden score contest	Category is removed and there is a new draw for another golden score contest
