@MariusVizer

Dear national federations, dear friends,

We welcome you to Sarajevo, an accessible capital city that keeps its doors open for all branches of the judo family tree. This is a destination which will deliver excellent organisation and warm hospitality, providing our Special Olympics participants with a tried and tested venue, a place for everyone to feel is a home away from home.

We are looking forward to sharing this wonderful global event with you in the spirit of inclusion, equity and connectivity; these are principles which underpin our sport and will be celebrated under the perfect spotlight in Bosnia and Herzegovina. This is a Central European destination steeped in history, a place of culture and heritage openly shared with the world. Now this incredible city extends arms of friendship to our Special Olympics participants and their coaches.

Since 1968 the Special Olympics organisation has been shining a light on all that is possible when barriers to achievement, health and enjoyment are broken down and we are proud that the International Judo Federation is now an integral part of this essential sporting pathway.

I wish all our delegations, friends and the wider judo family a healthy and successful event. Sarajevo welcomes you!

Yours in judo,

Marius L. VIZER

**SARAJEVO SPECIAL OLYMPICS JUDO OPEN 2026
BOSNIA AND HERZEGOVINA
25-26 SEPTEMBER 2026**

Dear Judo Friends,

On behalf of the Bosnia and Herzegovina Judo Federation, I would like to welcome you to the World Judo Championships Veterans and Kata 2026 and Special Olympics 2026, one of the biggest official sports manifestation, which is being held in the Bosnia and Herzegovina.

I am honoured to invite all distinguished members of the International Judo Federation and Special Olympics to our beautiful country and the Mayor City of Sarajevo where we organized these Events on September 20. – 27. 2026.

Our Federation and all persons involved in the technical organization, as always, will do their best to make the event go well.

Therefore, the Judo Federation of Bosnia and Herzegovina is a relatively young member of the IJF and EJU, but we are proud of the fact that we have so far successfully organized a large number of World Championships, European Championships, European Cups for seniors and juniors, Europe Opens and for the third time we have the honor and pleasure to host an International Judo Federation event and organized World Judo Championships Veterans and Kata 2026 and Special Olympics 2026.

I would like to thank Mr. Marius Vizer, President of the International Judo Federation for the confidence shown in the assignment of the event and the local Authorities for the support provided to the Organizers.

Ognjen PAVLOVIC
President
Judo Federation of Bosnia and Herzegovina

Dear Judo Friends,
Dear Friends of Special Olympics,

Special Olympics is the world's largest sports movement for people with intellectual disabilities, providing year-round training and competition in Olympic-type sports and promoting inclusion through sport.

In May 2025, Special Olympics International and the International Judo Federation signed a Memorandum of Understanding to create more opportunities for judoka with intellectual disabilities and to strengthen inclusion within the global judo community.

We are proud to take part in the IJF World Championships Veterans and Kata and are deeply honoured to have the opportunity to be part of the IJF judo family. We thank the IJF for this important step and for making it possible, for the first time within this cooperation, for judoka with intellectual disabilities to participate in an IJF world-level event. We are pleased to have already received pre-registrations from 150 participants representing 20 nations.

We would also like to express our sincere thanks to Special Olympics Bosnia and Herzegovina, who worked hand in hand with the Judo Federation of Bosnia and Herzegovina and supported us on many levels in the planning, organization, and implementation of this special occasion.

We look forward to continuing this collaboration and to showing the world that judoka with intellectual disabilities are proud members of the global judo family, and that judo, in this context as well, is truly more than just a sport.
