@MariusVizer

Dear judoka, coaches and delegations,

It is my great pleasure to welcome you to Ecuador on the occasion of the 2026 World Championships for Cadets.

I am proud of the great spirit and skill that we see among the world's young elite. Their determination and will to succeed are visible in all regions and it is thanks to that persistence, commitment and hunt for excellence that the level continues to be so very high.

Guayaquil is the perfect location in which to receive the world's best cadet competitors, as it has been an international port town for centuries, welcoming visitors from all continents throughout its colourful history. Ecuador's National Unity Bridge complex stands in Guayaquil as a symbol we can all understand. It is in this vibrant country in Pan-America that together we celebrate the achievements of our future Olympians in the spirit of friendship and solidarity.

I wish all organisers, volunteers, competitors and teams a safe and happy visit to Ecuador as we crown our new cadet world champions.

Yours in judo,

Mr Marius L. VIZER

15. GENERAL INFORMATION

INSURANCE

Please refer to IJF **SOR** 1.3 Insurance and Civil Liability.

Each national federation is directly responsible for all its delegates registered on **Judobase** for any event. It must assume all responsibility for accident, health and civil liability insurance for everyone under their charge during events.

National federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. If the national federation does not provide insurance to the members of their delegation, those members shall be liable for any damages caused by or incurred to them. The LOC of the event and the IJF will not be responsible in the absence of insurance.

The LOC of the event and the IJF accept no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event nor any claims relating to the cancellation of the event or medical costs related to illness that may affect a participant during the event.

CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING

Please refer to IJF **SOR** 2.8.5 Consent for use of data/photography/videos/filming.

The national federation must ensure that they have the permission of each delegate or in the case of a minor

the permission of the parent/guardian.

If a delegate does not give consent, then the national federation must inform the International Judo Federation by writing to registration@ijf.org.

ACCOMMODATION

The minimum reservation for a delegation is two (2) nights multiplied by the total number of people inscribed in **Judobase**. The referee nominated by the IJF is not included in this calculation.

The national federation President and the referee nominated by the IJF are not included in this calculation.

Example:

4 people inscribed in **Judobase** (no referee) = 4×2 nights = 8 nights or more must be reserved

17 people inscribed in **Judobase** (including 1 referee) = $(17-1) \times 2 = 32$ nights or more must be reserved

The hotel prices are not guaranteed after the reservation deadline and delegations requesting accommodation late may be subject to a price increase.

This rule does not apply to the host national federation delegates.

COMPETITION RULES

System of competition: quarter-final (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories: Women: -40 kg, -44 kg, -48 kg, -52 kg, -57 kg, -63 kg, -70 kg, +70 kg

Men: -50 kg, -55 kg, -60 kg, -66 kg, -73 kg, -81 kg, -90 kg, +90 kg

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

A team delegate must attend accreditation to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during accreditation.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.

- 10 or more competitors = seven (7) officials.

The accreditations for national federation President, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in [Judobase](#)) is 100 USD per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 USD to be paid to the IJF.

DRAW AND SEEDING

Please refer to the IJF [SOR](#) Section 5 Draw.

Up to a maximum of the top eight athletes among the entered athletes in each weight category will be seeded based on their IJF WRL position. The draw will be held online: www.judotv.com

OFFICIAL JUDOGI AND BACKNUMBER

Please refer to the IJF [SOR](#) Appendix C IJF Judogi rules.

3. MIXED TEAMS COMPETITION RULES

System of competition: quarter-final (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories:

- Women: -48 kg, -63 kg, +63 kg
- Men: -60 kg, -81 kg, +81 kg

4. MIXED TEAMS DRAW AND SEEDING

Up to a maximum of the top eight (8) mixed teams will be seeded based on their IJF WRL position. The draw will be held online: www.judotv.com

5. MIXED TEAMS REGULATIONS

Each mixed team must consist of six (6) athletes (3 women and 3 men) and has the possibility to have up to six (6) reserves (3 women and 3 men).

At the time of mixed team confirmation at the accreditation, the delegation must have a full mixed team entered. This means a minimum of 1 athlete per mixed team weight category. A maximum of 12 athletes can be entered, with a maximum of two (2) athletes per mixed team weight category.

If injuries or illness occur after the draw or during the competition a mixed team will be allowed to compete with a minimum of four (4) athletes. However, if four (4) athletes have successfully passed the mixed team weigh-in and before the start of the competition, one (1) athlete becomes ill or injured, leaving the team with only three (3) available athletes, the mixed team will not be allowed to compete. Nevertheless, all athletes who have successfully passed the official mixed team weigh-in will be considered "in-competition" for anti-doping purposes.

During cadets mixed team competitions athletes must compete in their inscribed mixed team weight category and **cannot be moved one (1) mixed team weight category higher**.

If the event follows an individual competition, the composition of the mixed team must be confirmed by the delegation to the IJF Sport Commission by 13:00 local time on the day prior to the mixed team competition. After confirmation, the list can be updated up to one (1) hour after the end of the final block only for the athletes competing on the last day of the individual competition.

After the draw of the mixed team event, a further draw will decide the starting category for the first round. The following rounds will start with the next category in the sequence.

Two (2) coaches and one (1) doctor per team will be allowed to enter the field of play. Athletes should enter the field of play in the order that they will compete in.

During the contests, the mixed team athletes must stay within a marked area on the field of play. Reserve athletes must not enter the field of play.

Weigh-in rules: Please refer to the IJF **SOR** Section 6.

Before each match the team leader must select the athletes for each contest. From the maximum of two (2) athletes inscribed in each category he can select one.

If the team has the possibility to put an inscribed athlete in a mixed team weight category, the team leader must do so.

An athlete cannot be rested for one match and return for the next unless they have been replaced by the

other inscribed athlete.

If the mixed team has no athlete in a mixed team weight category, they must select the “no competitor” option.

If the wrong athlete goes to the tatami for a contest that is not his own, he will be disqualified, and the opponent he was initially supposed to meet will win by fusen-gachi.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from the IJF Sport Commission. Once it is returned to the IJF Sport Commission it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time).

After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If one team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no athlete needs to return to the tatami to bow again if there is no contest to be fought.

The first mixed team to win the majority of contests is declared the winner.

If during the match, in one contest, an athlete enters the tatami and refuses to compete, he will be given a direct hansoku-make (cannot continue in competition) and the opponent will be declared the winner. The losing athlete cannot continue in the next rounds. The mixed team of the losing athlete can continue in the next round if applicable.

If one (1) mixed team does not arrive for a match, the other mixed team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable).

If there are an equal number of wins at the end of the match, there is a draw for the mixed team weight category that will compete in a golden score contest (see table below) to decide the winning mixed team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards. If the public scoreboard is not available, the coaches or the mixed teams should be invited to watch the computer monitor when the draw is taking place.

	Draw for golden score contest scenario	Action
1	Both teams have “no competitor” in the same category	Category is removed from the draw
2	One team has “no competitor” or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make cannot continue in competition etc.)	Category remains in the draw and the win is given directly to the other team
3	In the regular contest both athletes given an indirect hansoku-make (3 shido) or a direct hansoku-make (can continue in competition)	Category remains in the draw
4	In the regular contest both athletes given a direct hansoku-make (cannot continue in competition)	Category is removed from the draw

If there is a double hansoku-make during the golden score contest the following rules will be respected:

	Scenario	Action
1	Both athletes given an indirect hansoku-make (3 shido) in the golden score contest	Category is included in a new draw for another golden score contest
2	Both athletes given a direct hansoku-make (can continue in competition) in the in the golden score contest	Category is included in a new draw for another golden score contest
3	Both athletes given a direct hansoku-make (cannot continue in competition) in the golden score contest	Category is removed and there is a new draw for another golden score contest

The IJF Ad Hoc Commission will decide the consequences in any situation that may result in a whole team being disqualified.
