WORLD JUDO
CHAMPIONSHIPS

2026

BAKU | AZERBAIJAN

@MariusVizer

Dear judo family, dear distinguished guests,

I welcome you back to the city of Baku in beautiful Azerbaijan, and to the World Championships 2026 Individuals and Mixed Teams. This is a city accustomed to the challenges of staging such an event, as the 2018 edition was also hosted here. It was a resounding success then and so we continue to enjoy this momentum. With an organising team experienced and ready, we will deliver a spectacular championship.

This is a country of judo with fans who have cheered tirelessly for the planet's most courageous and skilled judoka at every level of event, from cadets to seniors. All tournaments held in this incredible city, a true gateway to the world, are received with passion, respect and friendship.

Azerbaijan's government continues to support the sport of judo, investing heavily in education, development and excellence. With consistent high standards of hospitality and organisation, every coach, volunteer, athlete and referee can focus on producing their very best work in a perfect environment. So, this promises to be a spectacular display of the finest judo and a showcase of the will and determination of our athletes as they work hard to step on to the first world level podium of this new Olympic qualification period.

We wish all delegations and visitors a wonderful experience. Welcome to Baku! Welcome to the World Judo Championships 2026!

Yours in judo,

Mr Marius L. VIZER
President
International Judo Federation

Dear Judo Family, dear friends,

On behalf of the Azerbaijan Judo Federation, I am pleased to welcome you to Baku on the occasion of the World Judo Championships 2026.

First of all, I would like to express our sincere gratitude to the President of the Republic of Azerbaijan, His Excellency Mr Ilham Aliyev, for his continuous support for the development of sport in Azerbaijan and for creating the conditions that allow our country to host major international sporting events at a high level.

I would also like to thank the Ministry of Youth and Sport of the Republic of Azerbaijan and the National Olympic Committee of Azerbaijan for their constant support and cooperation throughout the preparation process.

Our special gratitude goes to the President of the International Judo Federation, Mr Marius Vizer, and to the International Judo Federation for their trust, support, and cooperation in bringing this important championship to Baku.

Hosting the World Judo Championships is a major responsibility for Azerbaijan. This event unites top athletes, coaches, officials, and the global judo community, serving as a key stage on the road to the Los Angeles 2028 Olympic Games.

Our goal is to deliver a professionally organized championship, ensuring excellent conditions for all participants, media, guests, and spectators. Azerbaijan's strong judo traditions and achievements — including at the Paris 2024 Olympics — have reinforced our place on the international judo map.

The Azerbaijan Judo Federation continues to invest in training, clubs, coach education, and accessibility, making judo one of the country's most popular sports and inspiring youth nationwide.

We warmly welcome the judo family to Baku, a city of rich history and modern infrastructure, experienced in hosting major events. We wish athletes success and all guests a pleasant stay.

The World Judo Championships Baku 2026 will further advance judo and strengthen international cooperation.

Rashad NABIYEV
President
Azerbaijan Judo Federation

Only athletes ranked number 1-100* in the IJF Seniors WRL, and athletes ranked number 1-16* in the IJF Juniors WRL, can take part, each national federation is allowed to enter:

9. ENTRY TO THE HOST COUNTRY

Please refer to IJF **SOR** rule 2.8.1 Visas.

The LOC can provide official documentation such as letters of invitation or confirmation of participation to support visa application only for people who are inscribed in **Judobase** for the event.

The decision to grant a visa rests solely with the relevant immigration authorities. Athletes and officials are responsible for ensuring compliance with the visa requirements of the host country.

Entry rules may be subject to change, the current information can be found here: <https://evisa.gov.az/en/>

E-visa application system can be found here: <https://evisa.gov.az/en/>

It is highly recommended to get visas via e-visa portal or send an invitation request to Azerbaijan Judo Federation, rather than applying visa procedures at Baku airport. The countries that are not listed in drop down menu of the e-visa web portal (<https://evisa.gov.az/en/>) need to send request letter to Azerbaijan Judo Federation minimum **two (2) months** in advance prior the event. Entry permissions to the countries (that are not listed in the e-visa portal) are granted through the different government authorities. Due to that reason, it is not issued as fast as e-visas obtained from the portal.

Please note that, land borders of Azerbaijan are closed. The entry point must be the Heydar Aliyev International Airport (GYD).

15. GENERAL INFORMATION

INSURANCE AND CIVIL LIABILITY

Please refer to IJF **SOR** 1.3 Insurance and Civil Liability.

CONSENT FOR USE OF DATA/PHOTOGRAPHY/VIDEOS/FILMING

Please refer to IJF **SOR** 2.8.5 Consent for use of data/photography/videos/filming.

If a delegate does not give consent, then the national federation must inform the International Judo Federation by writing to registration@ijf.org.

ACCOMMODATION

The minimum reservation for a delegation is two (2) nights multiplied by the total number of people inscribed in **Judobase**. The referee nominated by the IJF is not included in this calculation.

The national federation President and the referee nominated by the IJF are not included in this calculation.

Example:

4 people inscribed in **Judobase** (no referee) = 4 x 2 nights = 8 nights or more must be reserved

17 people inscribed in **Judobase** (including 1 referee) = (17-1) x 2 = 32 nights or more must be reserved

The hotel prices are not guaranteed after the reservation deadline and delegations requesting accommodation late may be subject to a price increase.

This rule does not apply to the host national federation delegates.

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

A team delegate must attend accreditation to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during accreditation.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for national federation President, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in **Judobase**) is 100 USD per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 USD to be paid to the IJF.

At the time of mixed team confirmation at the accreditation, the delegation must have a full team entered. This means a minimum of 1 athlete per mixed team category. A maximum of 12 athletes can be entered, with a maximum of two (2) athletes per category.

If injuries or illness occur after the draw or during the competition a mixed team will be allowed to compete with a minimum of four (4) athletes.

During seniors mixed teams' competitions each athlete is entitled to compete in their own weight category or in the next higher category. If the event follows an individual competition, the composition of the mixed team must be confirmed by the delegation to the IJF Sport Commission by 13:00 local time on the day prior to the mixed team competition. After confirmation, the list can be updated up to one (1) hour after the end of the final block only for the athletes competing on the last day of the individual competition can be updated.

After the draw of the mixed team event, a further draw will decide the starting category for the first round. The following rounds will start with the next category in the sequence.

Two (2) coaches and one (1) doctor per team will be allowed to enter the field of play. Athletes should enter the field of play in the order that they will compete in.

During the contests, the mixed team athletes must stay within a marked area on the field of play. Reserve athletes must not enter the field of play.

Before each match the team leader must select the athletes for each contest. From the maximum of two (2) athletes inscribed in each category he can select one.

If the team has the possibility to put an inscribed athlete in a category, he must do so. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete.

If the team has no athlete in a category, they should select the "no competitor" option.

If the wrong athlete goes to the tatami for a contest that is not his own he will be disqualified, and the opponent he was initially supposed to meet will win by fusen gachi.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from the IJF Sport Commission. Once it is returned to the IJF Sport Commission it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time).

After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If one team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

If during the match, in one contest, an athlete enters the tatami and refuses to compete, he will be given a direct hansoku-make (cannot continue in competition) and the opponent will be declared the winner.

The losing athlete cannot continue in the next rounds. The team of the losing athlete can continue in the next round if applicable.

If one team does not arrive for a match, the other team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable).

If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards. If the public scoreboard is not available the coaches or the teams should be invited to watch the computer monitor when the draw is taking place.

	Draw for golden score contest scenario	Action
1	Both teams have “no competitor” in the same category	Category is removed from the draw
2	One team has “no competitor” or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make cannot continue in competition etc.)	Category remains in the draw and the win is given directly to the other team
3	In the regular contest both athletes given an indirect hansoku-make (3 shido) or a direct hansoku-make (can continue in competition)	Category remains in the draw
4	In the regular contest both athletes given a direct hansoku-make (cannot continue in competition)	Category is removed from the draw

If there is a double hansoku-make during the golden score contest the following rules will be respected:

	Scenario	Action

3	Both athletes given a direct hansoku-make (cannot continue in competition) in the golden score contest	Category is removed and there is a new draw for another golden score contest
