VALID POINTS

look back 12 months from today	- Three best results from Grand Prix and Continental Cups - Result from the last Continental Championships - Result from the last World Championships	100%
look back 13-24 months	- Three best results from Grand Prix and Continental Cups - Result from the last Continental Championships - Result from the last World Championships	50%
look back over 24 months	Points expire	0%

The points for World Championships and Continental Cup events will expire as follows:

- In the first 12 months after the tournament the points will count 100%.
 - After 12 months the points will be reduced to 50%.
- After 24 months the points will be reduced to 0 and not accounted anymore.

The dividing line is the following week (week number) in which the tournament was held.

Example: If the competition is held in week 10 of the year (YYYY), the points are reduced to half at the beginning of week 11 in the next year (YYYY+1) and expired at the beginning of week 11 in the year after (YYYY+2).

Exception: For the equal treatment of all Continents, the Continental Championships Junior are treated as if they were held in week number 26 regardless of the actual week number that they are organised in.

The points reduction or expiration will therefore be done on Monday of week number 27.

Participation points will be given for all juniors events. Other ranking points will be given when there is at least one (1) contest won.

Additional Rules:

If two or more athletes have an equal number of total WRL points, the higher ranking will be decided by:

- The highest sum of the current points from all World Championships Juniors.
 - The highest sum of the current points from all Grand Prix Juniors.
- The highest sum of the current points from all Continental Championships Juniors.
 - The highest sum of the current points from all Continental Cups Juniors.
- The highest current points from a single event, then, if needed, the second highest, and so on.
