YOG Seeding Ranking List

For all participating athletes, a YOG Ranking List is created following the same rules as the IJF Cadet World Ranking List. The only difference is that points are considered across all categories in which the athlete has participated in Cadet WRL events.

100% - last 12 months

Look back from 24 August 2026:
- Result from World Championships: ECU 2026 and BUL 2025
- Result from the Cadet Continental Championships
- Three best results from Cadet Grand Prix and Cadet Continental Cups

50% - months 13 to 24

Look back from 24 August 2026:
- World Championships: Lima PER 2024
- Result from the Cadet Continental Championships
- Three best results from Cadet Grand Prix and Cadet Continental Cups

Seeding

The top four athletes with the highest ranking points will be seeded in each YOG category.

Eleven scores are counted: six at 100% and five at 50%. Guayaquil (ECU) 2026 and Sofia (BUL) 2025 both count at 100%. Lima (PER) 2024 counts at 50%. Each time band also includes one Continental Championships result and the three best Cup / Grand Prix results. All displayed scores are already weighted.

Ties: highest sum of current World Championships points, then Continental Championships points, then Cup points, followed by current individual event scores in descending order. Athletes still equal share the same rank.

Cadet WRL used: 24 August 2026

IJF Cadet World Ranking List
